Testimony for CPH on Feb 22, 2017 09:00AM in Conference Room 229

Submitted By	Organization	Testifier Position	Present at Hearing
Pamela Lichty	Drug Policy Action Group	Support	No

Comments: The Drug Policy Action Group strongly supports this measure. The bill itself eloquently explains the rationale for this change. Simply put, it's time to do away with the slang term for cannabis from the Reefer Madness era and replace it with the scientifically accurate term. This change will parallel the recognition of the various forms of this plant as a legitimate and uniquely useful herbal medicine. Thank you for hearing this measure today.
