RELATING TO PUBLIC EMPLOYMENT COST ITEMS

These measures are vehicle bills to appropriate and authorize funds for collective bargaining cost items for salary adjustments and other cost adjustments for public employees and their excluded counterparts for Fiscal Biennium 2017-19.

The Department of Budget and Finance supports moving these Administration measures, or similar ones, as negotiations are currently in progress and vehicle bills will be necessary should an agreement be reached or arbitration award issued prior to the end of the legislative session. The bargaining units addressed in the bills and the bill number for the Administration measure for that bargaining unit are as follows: Senate Bill No. 924, Bargaining Unit 1; Senate Bill No. 914, Bargaining Unit 2; Senate Bill No. 915, Bargaining Unit 3; Senate Bill No. 916, Bargaining Unit 4; Senate Bill No. 917, Bargaining Unit 5; Senate Bill No. 918, Bargaining Unit 6; Senate Bill No. 919, Bargaining Unit 7; Senate Bill No. 920, Bargaining Unit 8; Senate Bill No. 921, Bargaining Unit 9; Senate Bill No. 922, Bargaining Unit 10; Senate Bill No. 923, Bargaining Unit 11; Senate Bill No. 925, Bargaining Unit 13; and Senate Bill No. 926, Bargaining Unit 14.

Relating to Public Employment Cost Items.
To provide appropriations for collective bargaining cost items and other public
employment costs for Unit (3) and their excluded counterparts, including the cost
of salary adjustments negotiated between the State and the bargaining unit
representative for fiscal biennium 2017-2019.**

Hawaii Health Systems Corporation

On behalf of the Hawaii Health Systems Corporation (HHSC) Corporate Board of Directors, thank you for the opportunity to present testimony in **support of S.B. 915** that will appropriate funds for fiscal biennium 2017-2019 for salary costs for public employees in collective bargaining unit 3 and for certain employees excluded from collective bargaining.

HHSC values all of its employees in the public sector unions. However, HHSC's financial condition cannot absorb any further collective bargaining pay increases without a corresponding general fund appropriation to pay for those raises. In HHSC's budget briefing testimony for the fiscal biennium 2017-2019, HHSC noted that \$28 million of HHSC's initial general fund appropriation request is due to pay for the cumulative effect of collective bargaining pay raises for the prior fiscal biennium 2014-2016 which were funded through special fund appropriations. For HHSC, a special fund appropriation only allows the hospitals to spend the cash that they generate on paying these types of raises; however, HHSC's hospitals already are not able to generate sufficient cash to pay for all of its operating expenses. This is why HHSC constantly needs a general fund appropriation of between 15-20% of its operating budget just to end each fiscal year with a minimal level of cash on hand. HHSC needs a **general fund appropriation** to pay for the proposed raises; otherwise, it will need an emergency appropriation to pay for these raises in the upcoming Legislative Session.

SB 915 – RELATING TO PUBLIC EMPLOYMENT COST ITEMS

Chair Keith-Agaran, Vice Chair Rhoads, and members of the Committee on Judiciary and Labor:

Thank you for this opportunity to testify. The University of Hawai'i (UH) **supports** SB 915, Relating to Public Employment Cost Items. This bill appropriates funds for collective bargaining cost items and other public employment costs for Unit (3) and their excluded counterparts, including the cost of salary adjustments negotiated between the State and the bargaining unit representative for fiscal biennium 2017-2019.

Government employers in the State are in negotiations with bargaining unit (3) for their new contract to begin July 1, 2017. Once the negotiations and the collective bargaining process concludes this bill may be necessary if additional funding is required.

Thank you for your time and consideration.
