SENATE BILL NO. 988
RELATING TO EXEMPTION FOR AGRICULTURAL BUILDINGS AND STRUCTURES

Chairpersons Nishihara and Gabbard and Members of the Committees:

Thank you for the opportunity to testify on Senate Bill No.988 that amends Section 46-88, (agricultural buildings and structures exempt for building permit and code requirements) to make it in compliance with Federal flood insurance program requirements. The Department of Agriculture defers to the Department of Land and Natural Resources and offers a comment.

The bill does define the term "dwelling" as a building or parts thereof designed or used for residential occupancy or both (page 10, lines 12-13) This appears contrary to existing law, 46-88 (page 1, line 7) states that these exempt structures are "not used as dwellings or lodging units".

Thank you for the opportunity to comment on this important measure.
