REQUESTING THE DEPARTMENT OF TRANSPORTATION TO CONSTRUCT A
ROUNDBOUT AT THE INTERSECTION OF KAMEHAMEHA HIGHWAY AND
KAHEKILI HIGHWAY IN KAHALU'U ON THE ISLAND OF OAHU

Senate Committee on Transportation and Energy:

The Department of Transportation (DOT) **opposes** this resolution.

The majority of the construction work required for the project has already been completed.

The remaining work to be completed involved preparing an acceptable Grant of Electrical Easement (Easement) between the City and County of Honolulu and the Hawaiian Electric Company. The only pending item is obtaining signatures on the Easement from the appropriate agencies. Signatories include the City and County of Honolulu; Hawaiian Electric Company, Inc.; Department of Parks and Recreation; and the DOT. The DOT is currently routing the Easement for signatures and expects this process to be completed within six months.

Thank you for the opportunity to provide testimony.
