## **Application for Grants**

Please check the box when item/section has been completed. If any item is not applicable to the request, the applicant should enter "not applicable".

#### I. Background and Summary

This section shall clearly and concisely summarize and highlight the contents of the request in such a way as to provide the State Legislature with a broad understanding of the request. Please include the following:

A brief description of the applicant's background;

The Royal Order of Kamehameha I, Heiau O Māmalahoa, the Hilo Chapter, was chartered by Prince Kuhio on July 3, 1907. The Hilo Chapter built a lodge in 1938 in Keaukaha, Hilo. The lodge, known as Kamehameha Hall, is on land managed by the Department of Hawaiian Home Lands. Kamehameha Hall located at 1162 Kalanianaole Avenue, Hilo, Hawaii, was listed on the National Register of Historic Places on May 20, 1993. Besides serving as a meeting hall for The Royal Order of Kamehameha I and other Hawaiian Societies, it also served as a community center for Keaukaha residents. Kupuna residents recall it as a social center for events ranging from weddings to funerals. In the early 1940s it even served as the government seat for Hawaii Island.

Kamehameha Hall has fallen into disrepair due to age. The Royal Order of Kamehameha I, Heiau O Māmalahoa, the Hilo Chapter, is attempting to rehabilitate the Hall and develop it as a multi-purpose community servicing center. A State of Hawaii domestic non-profit corporation was created in February, 2014 to specifically rehabilitate Kamehameha Hall.

The Royal Order of Kamehameha I, Mamalahoa, a domestic non-profit corporation registered in the State of Hawaii, is seeking a Capital Improvements Project (CIP) "Grants-in-Aid" award pursuant to Hawaii Revised Statutes, Chapter 42F.

- 2. The goals and objectives related to the request;
  - a. The primary goal of this request is to rehabilitate this building listed on the National Historic Register. The incorporation of the Royal Order of Kamehameha I, Heiau O Māmalahoa, the Hilo Chapter, on February 19, 2014 was specifically directed at restoring Kamehameha Hall. It is one of the purposes listed in the Articles of Incorporation, to wit: Maintenance and preservation of Kamehameha Hale, listed on the national Historic Register, at 1162 Kalaniana'ole [Avenue], Hilo, Hawai'i. We are seeking grants to develop plans and designs for the restorative construction of Kamehameha Hall.

b. The objective of this goal is to rehabilitate the building so that it can be converted to be used for community based programs as listed in subsection 3 below. DEFINITION clarification: Rehabilitation means repair work that will bring the building up to existing building code. It is defined as the act or process of making possible a compatible use for a property through repair, alterations, and additions while preserving those portions or features which convey its historical, cultural, or architectural values. Restoration means to repair the building to the period that it was originally built.

Note: The total amount requested is very high considering the footprint of the building we want to rehabilitate (40' wide X 42' in length X 14' in height). There are three basic reasons for the very high requested amount. Number one: This building is registered as a National Historic Place (National Historic Register ID 93000426). As such, we are required to comply with federal and state protocols on the rehabilitation of a National Historic Place. Repair costs for the rehabilitation of a National Historic Place are higher than building a new structure. Number two: The structure is in severe disrepair due to age and destructive subterranean termite damage. Number three: The structure contains lead paint which was standard back in 1938 and this will require costly HAZMAT mitigation measures.

3. The public purpose and need to be served;

There is no community center servicing the needs of the Hawaiian community in Keaukaha, Hilo, Hawaii. For example, the Keaukaha Community Association rents space from the Department of Education to conduct its meetings. The Kamehameha Hall was the social center of the Hilo community in general, and the Keaukaha community in particular. Everything from weddings to funerals was conducted at the Hall. Restoration of the building will allow these social events to become viable once again. In addition to a meeting place and a social center, the conceptual plan for a Community Servicing Center has many facets that will be initiated. These include:

- a. A training center for youths to learn introduction to Polynesian sailing conducted by Hokulea crew members of ROOK I, Hilo Chapter. This is a facet of the culture /learning center segment of the Community Servicing Center Plan.
- b. A delinquency intervention program in partnership with a non-profit organization with the necessary training and experience coupled with assistance from Hawaii State DHS, Office of Youth Services. The plan also calls for the Hall being designated a "safe place" during business hours (see nationalsafeplace.org). This is a facet of the Pu'uhonua segment of the Community Servicing Center Plan.
- c. A family-crisis intervention program for family disputes using the Hawaiian cultural custom of arbitration (ho'oponopono). This is a facet of the Pu'uhonua segment of the Community Servicing Center Plan.
- d. A training center to influence residents to accept and embrace a self-sufficiency approach to life. This training adopts the Hokulea Mālama Honua Vision wherein we are to care for the earth by making changes in the way we conduct our everyday lifestyle. Residents will be introduced to self-sufficiency techniques such

as backyard organic farming, aquaponics, alternative energy (solar & wind power), water conservation, Recycling/waste reduction, raising chickens, hog farming using the microbial inoculated deep litter system that enables raising pigs with no odor, flies, and waste removal which is approved by the USDA and EPA. Training will be conducted by practitioners experienced in these methods. All are members of ROOK I, Hilo Chapter. This is a facet of the culture/learning segment of the Community Servicing Center Plan.

- e. A training center for hula. Hula is the essence of the Hawaiian culture. Many of the Hawaiian chants you hear today originated in the hula Halau. This will be coordinated by Keaukaha hula kumu Paul Neves and his son Kinohi Neves, members of ROOK I, Hilo Chapter. This is a facet of the culture/learning segment of the Community Servicing Center Plan.
- f. A Hawaiian language learning center. Keaukaha is a Hawaiian Home Lands community. This will be coordinated by Desmon Haumea. He works with Ka Umeke Kaeo Hawaiian Language Charter School as well as with Kamehameha Schools, Keaau Campus. He is a member of ROOK I, Puna Chapter. This is a facet of the culture/learning segment of the Community Servicing Center Plan.
- g. An entrepreneurial development program for young adults that include Introduction to Entrepreneurship, Identifying and evaluating an opportunity, building a business, and financing a business. This will be coordinated with a grant from OHA. This is a facet of the culture/learning segment of the Community Servicing Center.
- h. A repository for Hawaiian artifacts related to the Hawaiian history of Kamehameha the Great and Prince Kuhio to enhance the status of the building as a National Historic Place that will be visited by tourists. This segment stands alone to feature the significance of the building—the last remaining Hall of the Royal Order of Kamehameha I chartered by Prince Kuhio in 1907.

It should be noted that ROOK I, Hilo Chapter has received funds from Hawaii County to build an annex to the rear of the existing building. This annex is intended to be used to begin the programs contained in the culture/learning segment of the Community Servicing Center.

# 4. Describe the target population to be served; and

This Community Servicing Center will cater to the residents of South Hilo of Hawaii County. The 2010 census for Hilo District was 43,273 with South Hilo comprising a bulk of that figure. The total Hawaii County population was 187,079. It is expected that Keaukaha Community will take full advantage of the programs since the Hall is in Keaukaha. In fact, the elders of Keaukaha community requested that the Hall be restored rather than demolished and replaced. The Keaukaha community was the third Hawaiian Homestead to be established in 1924. In two years over 40 homes were built. In 1938 Kamehameha Hall was built by members of the Royal Order of Kamehameha I. The demographics of this community consisted of Hawaiians who were from all over the Hawaiian Islands. The clients for many of the programs will

most likely come from the Keaukaha Hawaiian Home Lands community. It is anticipated that there will be a great demand to attend the Introduction to Polynesian Sailing. It will be open to all 4<sup>th</sup> graders of any ethnic group and gender in Hilo, not just Keaukaha. Canoe model kits are already on hand to be issued to the inaugural class. The long term plan is for older students to construct an actual sailing vessel. There is no program of this kind on the East side of Hawaii County. The 2010 Census indicated children less than five years of age amounted to 2,707 in the Hilo zip code. Just 5% of that would be 135 youths—a sizable caseload if that constituted the number of youths-at-risk.

5. Describe the geographic coverage.

Since public transportation is infrequent and private ownership of a car is at a premium on this side of Hawaii County, it is expected that clients will be mostly South Hilo residents in general, and Keaukaha residents in particular. However, tourists from the nearby Cruise ship port and resort hotels can be expected to visit the Hall in large numbers once it is advertised in the tourism literature.

#### II. Service Summary and Outcomes

The Service Summary shall include a detailed discussion of the applicant's approach to the request. The applicant shall clearly and concisely specify the results, outcomes, and measures of effectiveness from this request. The applicant shall:

3. Describe its quality assurance and evaluation plans for the request. Specify how the applicant plans to monitor, evaluate, and improve their results; and

The applicant will monitor and evaluate the project with the aid of project/time management tools such as a Gantt chart and PERT. Monthly objectives will be posted as benchmarks to gauge progress. The project manager will conduct daily reviews to determine if objectives are on track or will need modification. The project manager will meet weekly with planners and contractors to gauge the progress of the scope of work. There will be meetings twice a month by the command chiefs of the Hilo Chapter of the Royal Order of Kamehameha I to review the progress of each stage of the project. A quality assurance team comprised of volunteers and professional licensed contractors will meet once a month to review the metrics and provide necessary recommendations to modify and/or improve the progress of the project. The members of the quality assurance team are:

- (a) David Heaukulani, project manager. He is a member of Historic Hawaii Foundation. The organization of the Royal Order of Kamehameha I, Hilo Chapter is an organizational member of the Forum of the National Trust for Historic Preservation.
- (b) Zendo Kern a licensed contractor and former chairman of the Hawaii County East Hawaii Planning Commission.
- (c) Charles Heaukulani an attorney practicing in Hilo and member of the Hawaii County East Hawaii Planning Commission.
- (d) Reef Tauati a licensed contractor who is slated to build the planned annex to the rear of Kamehameha Hall, Hawaii County Building Permit application BH01740
- (e) Gayle Cho Architect and professor at Hawaii Community College, Architectural, Engineering and CAD Tech program.
- 4. List the measure(s) of effectiveness that will be reported to the State agency through which grant funds are appropriated (the expending agency). The measure(s) will provide a standard and objective way for the State to assess the program's achievement or accomplishment. Please note that if the level of appropriation differs from the amount included in this application that the measure(s) of effectiveness will need to be updated and transmitted to the expending agency.
  - (a) Final Measurable Objective: There are two final measurable objectives.
    - (1) The first final measurable objective is the completion of the rehabilitation of Kamehameha Hall that will receive approval from the Hawaii County Building Department for habitation in accordance with the Hawaii County Public Works Building Code, Section 5-45.

#### Section 5-45. Certificate of occupancy.

Certificate Requirement. No building or structure shall be used or occupied, and no change in the existing occupancy classification of a building or structure or portion thereof shall be made until the building

- official has issued a certificate of occupancy therefor as provided herein. Issuance of a certificate of occupancy shall not be construed as an approval of a violation of the provisions of this code or of other ordinances of the jurisdiction.
- (2) The second final measurable objective is the occupancy and usage of the completed rehabilitated structure by all the community-based programs that is listed in Section I.3 above.
- (b) Interim Measurable Objectives: There will be measurable objectives at each benchmark that requires funding which will be reported to the State monitoring agency. The project manager and construction consultant shall validate the completion of work and relative invoice. The project manager will notify the Chief Financial Officer with authority to expend the funds for payment. These measurable objectives are as follows:
  - (1) Objective 100A.1 Acquire professional engineer firm to design and develop SMA Plans.

Objective 100A.2 – Completion of design and plans.

- (2) Objective 100B.1 Acquire professional engineer firm to design and develop plans for rehabilitation construction of Kamehameha Hall. Objective 100B.2 – Completion of design and plans.
- (3) Objective 100C.1 Acquire professional environmental engineer firm to design and develop plans to mitigate HAZMAT materials (e.g., lead paint) to include sampling and lab testing.

  Objective 100C.2 Completion of HAZMAT mitigation
- (4) Objective 100D Conduct community information hearing. Project manager and members of quality assurance team as needed.
- (5) Objective 100E Conduct quality assurance review
- (6) Objective 200A Review of Structural Rehabilitation Engineering Plan by Architectural Division of the State of Hawaii Historic Preservation Division, DHHL, State of Hawaii Department of Hawaiian Home Lands, and Hawaii County Cultural and Historical Preservation Working Group.
- (7) Objective 200B Initiate application for Building Permit, Hawaii County Building Department.
- (8) Objective 200C Conduct quality assurance review
- (9) Objective 300A- Solicit bids from contractors to perform rehabilitation construction. Bids shall include subterranean termite treatment and HAZMAT mitigation
- (10) Objective 300B Award contract to general contractor.
- (11) Objective 300C Completion of post & pier support restoration
- (12) Objective 300C.1 Completion of subterranean termite treatment
- (13) Objective 300C.2 Coordination of HAMAT mitigation plan with General contractor
- (14) Objective 300C.3 Conduct quality assurance review

- (15) Objective 300D Completion of flooring restoration
- (16) Objective 300D.1 Enclose bottom storage area
- (17) Objective 300D.2 Conduct quality assurance review

  - (a) Hawaii County Grant pursuant to Section 2-139 of the Hawaii County Code and Rule 4 of the Rules and Regulations of the Director of Finance in the amount of \$10,000. The amount of \$9,000 was received. A portion was expended to conduct a HAZMAT survey of the exterior by a professional environmental engineering firm. The balance is to be expended to construct an annex to the rear of the existing National Historic Place (Kamehameha Hall).
  - (b) Hawaii County Grant from the Hawaii County Council in the amount of \$2,500. This was designated to reinforce the national Historic Place

(Kamehameha Hall) as a temporary measure to support the structure for further deterioration.

6. The applicant shall provide the balance of its unrestricted current assets as of December 31, 2017.

Balance Sheet for Hale Mua Cultural Group is attached. Hale Mua Cultural Group is the 501(c)(3) nonprofit corporation that was created to be the financial conduit for all the chapters of the Royal Order of Kamehameha I. The Hilo Chapter, also known as Heau O Māmalahoa, has no assets other than the aged building at 1162 Kalanianaole Avenue, Hilo, Hawaii. Its calendar year 2016 corporate income tax return is attached.

#### IV. Experience and Capability

#### 1. Necessary Skills and Experience

The applicant shall demonstrate that it has the necessary skills, abilities, knowledge of, and experience relating to the request. State your experience and appropriateness for providing the service proposed in this application. The applicant shall also provide a listing of verifiable experience of related projects or contracts for the most recent three years that are pertinent to the request.

a. Financial Conduit, Hale Mua Cultural Group.

Hale Mua Cultural Group is a 501(c)(3) non-profit organization. It was incorporated on June 9, 2006. It was incorporated to be the nonprofit agency to receive funds for any chapter of the Royal Order of Kamehameha I. The Chief Financial Officer (CFO) of Hale Mua Cultural Group will be responsible to receive the GIA funds and comply with contract requirements set by the Office of Community Services (OCS), Department of Labor and Industrial Relations, State of Hawaii.

b. Chief Financial Officer Harold Olinger.

Harold Olinger has over ten years of experience processing grant awards for several chapters of the Royal Order of Kamehameha. He is servicing this applicant (Royal Order of Kamehameha I, Māmalahoa, Hilo Chapter) in two current grant awards from the Hawaii County government related to Kamehameha Hall.

c. Project Manager David Heaukulani.

David Heaukulani has taken responsibility for restoring Kamehameha Hall. He incorporated the Royal Order of Kamehameha I, Māmalahoa in 2014 as a domestic nonprofit corporation. He incorporated this entity for the sole purpose of seeking grants to restore Kamehameha Hall. He has sought grants and supervised the contract requirements of grants awarded for Kamehameha Hall.

He has experience in dealing with persons who will be involved in the rehabilitation of Kamehameha Hall. These include:

- (1) Megan Borthwick, State of Hawaii, DLNR, SHPD
- (2) Sean P. Naleimailie, archaeologist, DLNR, SHPD, Hilo Office.
- (3) Susan A. Lebo, Archaeology Branch Chief, SHPD.
- (4) Mark Yim, Land Agent, Land Management Division, Department of Hawaiian Home Lands.
- (5) Peter K. Albinio, Department of Hawaiian Home Lands.
- (6) Lucas Mead, Hawaii County Historic Places Coordinator.
- (7) Robert H. Lopes, EHS III, Indoor & Radiological Health Branch, State of Hawaii Department of Health (regarding lead paint issues).

He has worked with environmental engineer consultant Phillip Cabanila of Myounghee Noh & Associates, L.L.C. to survey Kamehameha Hall for hazardous materials, i.e., lead paint and asbestos. He has contracted this company to conduct a HAZMAT survey of Kamehameha Hall.

David Heaukulani retired from the United States Department of Defense. He was the Executive Officer at Pohakuloa Training Center located on the island of Hawaii. In this capacity he managed the projects of the Department of Public Works. These projects included new construction and remodeling of facilities. He obtained federal funding for new construction. He was the U.S. Army point of contact at Pohakuloa in the construction of the Saddle Road corridor. He met with the Senator Daniel Inouye in the initial planning for the new Saddle Road corridor.

David Heaukulani was instrumental in seeking and receiving grant awards for Kamehameha Hall from the former Mayor of Hawaii County Billy Kenoi and current Keaukaha District Councilmember Susan Lee Loy. He is working with the current Mayor, Harry Kim, and the Managing Director, Wil Okabe, to facilitate the Hawaii County grant award.

#### d. Contractor Consultant Zendo Kern.

Zendo Kern is a licensed general contractor, License # BC26035. He will be the contractor consultant for this project. Mr. Kern is currently involved in building new homes for the housing market on the island of Hawaii. He has built several homes over the past ten years. He was the general contractor in a real estate development for a retail building complex in Pahoa, Hawaii.

Mr. Kern was the former chairman of the Hawaii County East Hawaii Planning Commission. Mr. Kern will be the contractor consultant on the quality assurance team of this project.

Mr. Kern has a vested interest in the rehabilitation of Kamehameha Hall – he donated \$4,000 to the Royal Order of Kamehameha I, Māmalahoa for Kamehameha Hall. His donation was used for construction of support braces in the current effort to rescue the Hall from collapsing due to severe deterioration from age and termite damage.

e. Charles Heaukulani, attorney-at-law.

Charles Heaukulani is an officer with the corporation of the Royal Order of Kamehameha I, Māmalahoa. He is an attorney with experience in real estate law, particularly in land disputes.

Charles Heaukulani is a member of the Hawaii County East Hawaii Planning Commission.

## 2. Facilities

The applicant shall provide a description of its facilities and demonstrate its adequacy in relation to the request. If facilities are not presently available, describe plans to secure facilities.

- (a) Corporate headquarters of the Royal Order of Kamehameha I, Māmalahoa Hilo Chapter is 1162 Kalanianaole Avenue, Hilo, HI (National Historic Place that we are trying to restore). Because this headquarters is no longer safe to occupy due to deterioration from age, the entity of the corporation that is responsible to receive and expend this grant-in-aid shall secure temporary facilities to conduct the necessary business to rehabilitate Kamehameha Hall.
- (b) We will rent office space at 194 Wiwoole Street, the industrial area of Hilo. This is the office of A&A Hawaii, the parent corporation of Tai Aloha, Inc.
