A BILL FOR AN ACT

RELATING TO PUBLIC SAFETY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1	PART 1
2	SECTION 1. While it is the policy of the legislature to
3	encourage the private sector to assist in emergencies or
4	disasters, the legislature finds that there is an added need to
5	encourage the private sector to assist in providing emergency
6	shelter during emergencies or disasters. In many cases, the
7	private entity is reluctant to make facilities or property
8	available to a person for use as a shelter because of liability
9	concerns.
10	The purpose of this part is to prohibit the denial of
11	emergency shelter by places of public accommodation and clarify
12	that places of public accommodation and their agents and
13	employees are protected from liability when providing emergency
14	shelter.
15	SECTION 2. Chapter 127A, Hawaii Revised Statutes, is
16	amended by adding a new section to be appropriately designated
17	and to read as follows:

1	"§127A- Places of public accommodation; prohibition
2	against denial of shelter. (a) Whenever the State, or any
3	portion thereof, is the subject of any emergency alert that
4	advises the public to immediately seek shelter, including an
5	alert of an incoming missile, a place of public accommodation
6	shall not deny shelter to any person who is inside the place of
7	public accommodation or who is in the immediate vicinity of the
8	place of public accommodation.
9	(b) The prohibition under subsection (a) shall remain in
10	effect until a federal, state, or county emergency management
11	official advises the public that the emergency condition no
12	longer exists and that it is safe to resume normal activities.
13	(c) A complaint involving an alleged violation of
14	subsection (a) shall be made directly to the department of the
15	attorney general.
16	(d) The owner of a public accommodation that violates
17	subsection (a) shall be subject to a civil penalty of not less
18	than \$500 nor more than \$10,000 for each violation. Each day of
19	violation shall constitute a separate offense. All penalties
20	collected pursuant to this section shall be deposited into a
21	trust account established pursuant to section 127A-16(e).

1 (e) Except in cases of willful misconduct, gross 2 negligence, or recklessness, no place of public accommodation or 3 any of its agents or employees that provide shelter pursuant to 4 subsection (a) shall be civilly liable for the death of or injury to persons, or property damage, that results from any act 5 6 or omission in the course of providing shelter. 7 The department of the attorney general shall (f) 8 investigate complaints involving places of public accommodation 9 that have allegedly denied shelter to persons in violation of **10** this section. If the department of the attorney general determines, based on credible evidence, that a violation has 11 12 occurred, the department of the attorney general shall impose 13 and enforce the penalty provided for in subsection (d). 14 (g) As used in this section, "place of public 15 accommodation" has the same meaning as in section 489-2." 16 SECTION 3. Section 127A-16, Hawaii Revised Statutes, is 17 amended to read as follows: 18 "\$127A-16 Major disaster fund. (a) The director shall 19 submit requests to the legislature to appropriate from the 20 general revenues of the State sufficient moneys as may be 21 necessary for expenditure by or under the direction of the

1 governor for immediate relief in response to an emergency or 2 disaster in any part of the State; provided that: 3 The governor has issued a proclamation of a state of (1) 4 emergency; 5 (2) The governor may not expend in excess of \$5,000,000 6 for immediate relief as a result of any single 7 emergency or disaster; and 8 (3) In addition to the funds in paragraph (2), an 9 additional \$5,000,000 may be made available solely for 10 the purpose of matching federal disaster relief funds 11 when [these] those funds become available to the State 12 following a presidential disaster declaration. 13 In expending the moneys, the governor may allot any portion 14 thereof to any agency, office, or employee of the State or a 15 county for the most efficient relief for the population. 16 Notwithstanding this subsection, the only exception to 17 paragraphs (1), (2), and (3) is that the director may use up to 18 \$100,000 per year to support emergency reserve corps training. 19 (b) No later than one month after any allotment by the

governor or the expenditure of any fund moneys, the director

20

- 1 shall report to the legislature on the purpose of the allotment
- 2 or expenditure.
- 3 (c) Except as provided in subsection (d), federal
- 4 reimbursement moneys for disaster relief shall be deemed to be
- 5 trust moneys and may be deposited into a trust account with and
- 6 under the control of the department of defense. [These] Those
- 7 moneys and any interest earned thereon shall be used for the
- 8 purpose identified in subsection (a) and shall not lapse to the
- 9 general fund.
- 10 (d) In cases in which the department of education expends
- 11 the funds appropriated to the department for purposes deemed to
- 12 be reimbursable by federal reimbursement moneys for disaster
- 13 relief, the federal reimbursement moneys shall not lapse to the
- 14 general fund and shall be credited directly to the department of
- 15 education without regard to whether the original appropriation
- 16 has lapsed. [Such] Those funds shall carry over in accordance
- 17 with section 37-41.5(c).
- (e) Moneys collected by the department of the attorney
- 19 general pursuant to its enforcement of section 127A- shall be
- 20 deemed to be trust moneys and shall be deposited into a trust
- 21 account with and under the control of the department of defense.

1 Those moneys and any interest earned thereon shall be used for the purpose identified in subsection (a) and shall not lapse to 2 3 the credit of the general fund." 4 PART II 5 SECTION 4. In 2012, the legislature passed Act 291, 6 Session Laws of Hawaii 2012, which exempted a private property 7 owner who provides emergency access to a person in good faith 8 during a disaster from liability for injury or damage. 9 false alert of an inbound ballistic missile on January 13, 2018, 10 raised the issue that this protection may not apply to certain 11 businesses because those sheltering there may be paying quests 12 or tenants. The legislature finds that there is a need to clarify that the compensation paid by guests or tenants should 13 14 not disqualify these property owners from the protections 15 afforded by the legislature. 16 The false alert also raised the issue that there may be 17 circumstances where shelter is provided to the public in 18 facilities or properties that are also in the business of 19 selling commodities and that liability protection may not apply 20 to these businesses if they attempt to sell commodities to those

people being sheltered. The legislature finds that there is a

21

- 1 need to clarify that while persons are sheltered, the owner of
- 2 property made available as a shelter may sell commodities if the
- 3 property's use as a shelter is required over a period of time.
- 4 The purpose of this part is to insert a definition for the
- 5 term "commodity".
- 6 SECTION 5. Section 663-10.7, Hawaii Revised Statutes, is
- 7 amended by amending subsection (b) to read as follows:
- 8 "(b) For the purposes of this section:
- 9 "Commodity" means any good necessary for the health,
- 10 safety, and welfare of the people of Hawaii; provided that this
- 11 term shall include but not be limited to materials, merchandise,
- 12 supplies, equipment, resources, and other articles of commerce
- 13 that shall include food, water, ice, medication, chemicals, or
- 14 petroleum products.
- 15 "Disaster" means a nonroutine event that exceeds the
- 16 capacity of persons in the affected area to respond to it in
- 17 such a way as to save lives, preserve property, or to maintain
- 18 the social, ecological, economic, or political stability of the
- 19 affected area.

- 1 "Emergency" means a situation in which the life or health
- 2 of a person is in jeopardy due to a disaster requiring immediate
- 3 assistance.
- 4 "Owner" means the possessor of a fee interest, or a tenant,
- 5 lessee, occupant, person, group, club, partnership, family,
- 6 organization, entity, or corporation that has control,
- 7 possession, or use of the land, and its members, agents,
- 8 partners, representatives, shareholders, and employees."
- 9 PART III
- 10 SECTION 6. This Act does not affect rights and duties that
- 11 matured, penalties that were incurred, and proceedings that were
- 12 begun before its effective date.
- 13 SECTION 7. If any provision of this Act, or the
- 14 application thereof to any person or circumstance, is held
- 15 invalid, the invalidity does not affect other provisions or
- 16 applications of the Act that can be given effect without the
- 17 invalid provision or application, and to this end the provisions
- 18 of this Act are severable.
- 19 SECTION 8. Statutory material to be repealed is bracketed
- 20 and stricken. New statutory material is underscored.
- 21 SECTION 9. This Act shall take effect on July 1, 2050.

Report Title:

Emergencies; Disasters; Public Accommodations; Shelter; Civil Liability Exemption

Description:

Prohibits places of public accommodation from denying shelter to any person when an emergency alert advises the public to immediately seek shelter. Provides for a civil penalty for each violation. Provides immunity from civil liability, with certain exceptions. Takes effect 7/1/2050. (SD1)
