RE: H.B. No. 2283
H.D. 1
S.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Twenty-Ninth State Legislature
Regular Session of 2018
State of Hawaii

Sir:

Your Committee on Transportation and Energy, to which was referred H.B. No. 2283, H.D. 1, entitled:

"A BILL FOR AN ACT RELATING TO TRANSPORTATION,"

begs leave to report as follows:

The purpose and intent of this measure is to authorize the issuance of general obligation bonds for the designs, plans, materials, construction, and equipment for three capital improvement projects in the H-1 Corridor:

- (1) The widening of Kaulaka'i parkway to Waiawa Interchange;
- (2) The widening of Wahiawā Interchange to Hālawā Interchange; and
- (3) Modifications to the Fort Weaver/Kunia Road ramp.

Your Committee received testimony in support of this measure from the Department of Transportation, O'ahu County Committee on Legislative Priorities of the Democratic Party of Hawai'i, and one individual.

Your Committee finds that the H-1 Corridor is a highly trafficked highway that is critical to the functioning of O'ahu's economy. Your Committee notes that the 2016 H-1 Corridor Study

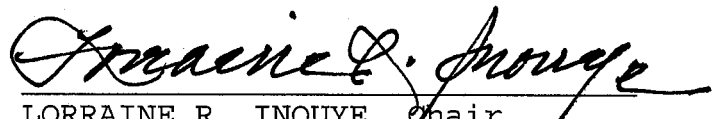

stresses the importance of keeping the H-1 well-maintained and regularly assessing portions of the H-1 that can be improved for traffic flow. The study also identified sixty-three capital improvement projects located directly on H-1 that address traffic congestion problems. The three capital improvement projects in this measure are on the list of projects identified in the study.

Your Committee has amended this measure by making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Transportation and Energy that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 2283, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 2283, H.D. 1, S.D. 1, and be referred to your Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committee on Transportation and
Energy,

LORRAINE R. INOUE, Chair

The Senate
 Twenty-Ninth Legislature
 State of Hawai'i
