RE: S.B. No. 604

Honorable Ronald D. Kouchi
President of the Senate
Twenty-Ninth State Legislature
Regular Session of 2017
State of Hawaii

Sir:

Your Committee on Public Safety, Intergovernmental, and
Military Affairs, to which was referred S.B. No. 604 entitled:

"A BILL FOR AN ACT RELATING TO THE MITIGATION OF HAZARDOUS
SITUATIONS STATEWIDE,"

begs leave to report as follows:

The purpose and intent of this measure is to extend the lapse
date for a \$1,000,000 appropriation made by Act 134, Session Laws
of Hawaii 2013, as amended, for the mitigation of hazardous
situations statewide from June 30, 2017, to June 30, 2019.

Your Committee received testimony in support of this measure
from the Department of Transportation and the Hawaii Emergency
Management Agency.

Your Committee finds that mitigating hazardous situations
statewide before an emergency situation occurs is vital to
maintain the health, safety, and welfare of the public. In 2014,
the Legislature appropriated funds for the mitigating hazardous
situations program to mitigate hazards in the State before those
hazards could create serious damage. The program has proven
effective at minimizing damage resulting from hazardous
situations. Accordingly, this measure would extend the lapse date
of the appropriations made for mitigating hazardous situations by
two years from June 30, 2017, to June 30, 2019.

As affirmed by the record of votes of the members of your
Committee on Public Safety, Intergovernmental, and Military
Affairs that is attached to this report, your Committee is in

2017-1145 SSCR SMA.doc

accord with the intent and purpose of S.B. No. 604 and recommends that it pass Second Reading and be referred to your Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
