

Honolulu, Hawaii

FEB 14 2018

RE: S.B. No. 2902
S.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Twenty-Ninth State Legislature
Regular Session of 2018
State of Hawaii

Sir:

Your Committee on Economic Development, Tourism, and
Technology, to which was referred S.B. No. 2902 entitled:

"A BILL FOR AN ACT RELATING TO TECHNOLOGY DEVELOPMENT,"

begs leave to report as follows:

The purpose and intent of this measure is to appropriate
funds, subject to a matching requirement, for grants to
participants of software application challenges in order for
proofs of concept created during the challenges to be developed
into prototypes suitable for state and county government.

Your Committee received testimony in support of this measure
from the Department of Commerce and Consumer Affairs, Office of
Enterprise Technology Services, Hawaii Technology Development
Corporation, Makai Ocean Engineering, Oahu County Committee on
Legislative Priorities of the Democratic Party of Hawai'i,
Transform Hawai'i Government, and one individual.

Your Committee finds that supporting the local technology
community in Hawaii has the potential to assist the state and
county governments to obtain necessary technology to more
efficiently and effectively carry out their duties to the public.
The Hawaii Annual Code Challenge creates the opportunity for the
State to work with the local technology community to modernize the
State and develop innovative tools and applications to enhance
services to the public. Your Committee strongly believes that

technology will continue to advance and create opportunities to transform government services.

Your Committee has amended this measure, as suggested by the Hawaii Technology Development Corporation, by:

- (1) Allowing federal and county sources as matching funds;
and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Economic Development, Tourism, and Technology that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 2902, as amended herein, and recommends that it pass Second Reading in the form attached hereto as S.B. No. 2902, S.D. 1, and be referred to your Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committee on Economic
Development, Tourism, and
Technology,

GLENN WAKAI, Chair

The Senate
 Twenty-Ninth Legislature
 State of Hawai'i
