IMUAlliance, and three individuals supported this measure. The Department of Budget and Finance and DOE provided comments on this measure.

Your Committee has amended this measure by:

- Specifying that stipend recipients are required to teach in the Hawaii public school system for three to five consecutive years, to be determined by the DOE, as licensed teachers immediately following completion of a state-approved teacher education program;
- (2) Appropriating an unspecified amount out of the Hawaii Teacher Stipend Program Special Fund to establish and implement the Stipend Program; and
- (3) Making technical, nonsubstantive amendments for clarity, consistency, and style.

As affirmed by the record of votes of the members of your Committee on Education that is attached to this report, your Committee is in accord with the intent and purpose of S.B. No. 3070, S.D. 2, as amended herein, and recommends that it pass Second Reading in the form attached hereto as S.B. No. 3070, S.D. 2, H.D. 1, and be referred to your Committee on Finance.

> Respectfully submitted on behalf of the members of the Committee on Education,
