The following measures were previously heard on **Wednesday, February 7, 2018.**

HB 2729
Status

RELATING TO CANNABIS FOR MEDICAL USE.
Amends the reciprocity program, subject to certain safeguards, reporting and transparency requirements, and payment of a visiting patient certifying fee. Extends the maximum period of validity of a qualifying patient's written certification of a debilitating medical condition. Allows a bona fide physician-patient or advanced practice registered nurse-patient relationship to be established via telehealth. Adds certain devices that provide safe pulmonary administration to the list of medical cannabis products that may be manufactured and distributed. Increases the tetrahydrocannabinol limit per pack or container of certain manufactured cannabis products. Exempts from the background check requirement employees of a dispensary or subcontracted production center or retail dispensing location without direct access, contact, or exposure to any cannabis or manufactured cannabis product. Conditions the department of health's mandatory disclosure of information and documents of dispensaries and production centers, for purposes of verifying qualifying patient information, only upon receipt of a legally authorized subpoena.
