

Alanna S. Isoe

Objective

To obtain a position on the board of pharmacy so that I can use my experience and knowledge of pharmacy practice and work with members of our community, profession, and the integrated medical teams to help increase access to healthcare in Hawaii, promote health and safety through regulation of the changing practice of pharmacy.

Experience

10/14/2007-present

Safeway, Inc

Honolulu, HI

Pharmacy Manager/Hawaii District Manager (2009-2013)

- 2017 Apha award recipient- Immunization Champion
 - Recognized for giving over 4000 hepatitis A vaccinations during hepatitis A outbreak in Hawaii. (To date, we have given over 6000)
 - Reputation for providing vaccinations year round
 - Provided information to patients, providers and even the media during the outbreak.
- Led company every year (2007-current) in vaccinations (flu, shingles, tetanus)
- Recognized by CEO, Steve Burd, for accomplishments in Zostavax immunization and featured in "Real Retail" video.
- Staffing/Recruiting/Training
 - Worked with UH-Hilo staff members to assist with school functions, Career Fair, interviews
 - Hired, trained, and mentored new graduates
 - Worked with a new group of managers (5 of 8 managers are newly hired) to successfully implement company best practices while leading the company in pharmacy care.
- Worked with Health Department to allow pharmacies to provide Yellow Fever vaccinations as well as flu vaccination for children aged 14-17 years old.
- Attended board of Pharmacy meetings to keep up with legislation and issues in Hawaii.

Regional Pharmacy Manager (2005-2007)

- Mentored pharmacy managers and all staff members on all aspects of retail pharmacy.
- Attended state board meetings and worked with state board inspectors to ensure Safeway was in compliance with all state and federal regulations.
- Initiated Safeway's Pharmacy Care program in Denver
 - Coordinated immunization training for interested pharmacists and interns.
 - Worked with a small group of trained pharmacists and interns (about 30) to staff two clinics in every store.

Pharmacy Recruiter (2004-2005)

- Worked through very challenging pharmacist shortage in 2004, 2005
- Developed a structured summer intern program that trained interns on Inventory Management, Personnel Management, Sales and Gain, Department Standards, Customer Service and Compliance.
