EMPLOYMENT

Lili'uokalani Trust

Director, Kīpuka Services, August 2017 to Present

- Oversees the implementation and operationalization of LT strategic program initiatives within individual and group services in accordance with professional practice and LT standards of excellence.
- Responsible for overall management for daily operations of the direct services at the kipuka. Conducts ongoing assessment and evaluation of direct services programs to ensure that beneficiaries' needs, agency standards and professional requirements are met.
- Guides and coaches, individually and as a whole, the `Ohana Services Team Leads to lead and work with others by modeling positive assets-based attitudes and practices, while remaining focused on LT's mission and vision.
- Guides and works with Team Leads to address and resolve program and/or personnel issues, and concerns relating to coverage, productivity, customer service skills, and workload expectations.
- Ensures that an ongoing evaluation system is in place to monitor goals, and assess effectiveness and sustainability.
- Develops and supports program services team, who exemplify the Queen's values with each other, agency-wide, as well as with families and the community.
- Inspires, encourages, and supports `ohana services staff to successfully work towards a shared vision.
- Recommends yearly program plan and budget for Board approval and prudently manages organization's resources within those budget guidelines according to current laws and regulations.
- Guides and coaches Team Leads to build their capacities; encourages career planning and supports opportunities to maximize their potential. Completes and provides accurate and timely evaluation of their work.
- Ensures that Team Leads are kept fully informed on matters regarding the agency in a timely manner.
- Responsible for handling issues between the community and `ohana services, discerning and resolving conflicts in a culturally sensitive and assets-based way.
- Cultivates, develops, and maintains cooperative relationships with critical alliances, partnerships, and other agency affiliations in both the private and public sector to support the wellbeing of children, their families, and communities.

- Develops, implements, and upholds program policies and procedures to ensure quality services for beneficiaries and accountability for staff. Understands, supports, and complies with organizational policies and procedures.

Director, Special Projects, December 2016 to August 2017

- Collaborate with the Executive Leadership Team and provide direction for a special projects team in the implementation of the Strategic Plan.
- Manage the day-to-day project needs of the entire organization.
- Project Management – Works across Programs to manage projects related to strategy implementation, collaborations, resources, research, evaluation and innovation.
- Capacity Building and Development – Provides capacity building and learning opportunities to internal staff or external stakeholders related to project management or strategic areas as needed. Supervise three Special Projects Managers.
- Monitor and Report – Monitors and reports on both processes and outcomes related to project management. Effectively communicates progress and manages expectations across the organization regarding projects.

Children's Justice Centers of Hawaii

Children's Justice Center of Oahu Director, SW VI June 2008 – February 2011

- Performed all tasks required to meet and maintain National Children's Alliance accreditation standards to insure funding and adhere to national best practice standards. Prepared documents and worked closely with the Center's Multi-Disciplinary partners (Civilian and Military Law Enforcement, Child Welfare Services, Therapists, and Community Agencies) to insure the success of the National Children's Alliance Re-accreditation of the Children's Justice Center of Oahu in 2009.
- Managed the Children's Justice Center (CJC) on the island of Oahu.
- Developed, achieved, and maintained interagency and inter professional cooperation and coordination in the investigation of and case management of intrafamilial and extrafamilial child sex abuse cases, serious physical child abuse cases and child witnesses to crime.
- Facilitated in an impartial manner the professional gathering of information by public and private agencies and their providers for court proceedings involving child victims and witnesses;
- Coordinated the therapeutic and treatment program for child sex abuse victims and their families
- Provided for multidisciplinary team and case management approach which is focused first, on the alleged or suspected child sex abuse victim's needs and conditions; and second, on the family members who are supportive of the child and those interests of the child; and third, on law enforcement and prosecutorial needs (focus on sex abuse cases).
- Provided for the training and continuing education of skilled interviewing professionals of child sex abuse victims (focus on sex abuse cases).
- Provided staff assistance to the statewide director of the CJC in planning, developing, coordinating, and improving programs which address child abuse to service the public involved with or appearing before the District, Family and Circuit Courts as well as those diverted from the formal court system.
- Coordinated work and maintain liaison with other public and private agencies in carrying out the Center's (CJC) functions and requirements.
- Worked with all branches of the Armed Forces (law enforcement and social services) to ensure continuum of services and support for children and their families.
- Maintained Center's (CJC) control, collection of data, reporting, and statistical systems; evaluate effectiveness of the tracking system to assure compliance with statewide and national standards and make appropriate changes as indicated.
- Established operational guidelines and procedures for the Center (CJC) and enforce adherence to them; evaluate effectiveness of the guidelines and procedures and make necessary adjustments.
- Evaluated procedural and organizational matters regarding the effectiveness or adequacy of CJC procedures, practices and policies, and make recommendations to the statewide director of the CJC's regarding alternatives, solutions or refinements to the process or to the system.
- Convened and facilitated interagency meetings to improve the system's response to child sex abuse cases and other child abuse and witness cases by initiating needed policy and procedural changes to address problems that occur.

- Negotiated and monitored contracts and expenditures for specialized services related to child witnesses and coordinate these services between clients and cooperating agencies as well as related to facilities, equipment, training, and services.
- Evaluated and approved expenditures of Center (CJC) funds pursuant to applicable policies and procedures.
- Worked in collaboration with the Western Regional Children's Advocacy Center who provides training and technical assistance.
- Write grant proposals for additional funding as applicable to the program goals. Manage the grants that are funded.
- Submitted reports to the statewide director of the CJs as needed through conferences and in writing including results of survey and analysis of situations relating to the Center (CJC).
- Trained and provided an orientation to staff members.
- Supervised the Multidisciplinary Team Coordinator, the In-House Forensic Interviewer, and clerical staff. Evaluate subordinates' job performance and submit reports as required.
- Provided oversight and act as the resource to volunteers.
- Spoke to community groups about the Center (CJC). Serve as a consultant to other agencies. Orient visiting officials from other jurisdictions as to Center (CJC) programs and projects.
- Represented the CJC Program and Judiciary on the Child Welfare Advisory Council, the Children's Justice Task Force, Military Family Advocacy Council, as well as other specific to the Circuit or those assigned by the court or statewide director of the CJC.
- Spear headed the Children's Justice Center of Oahu efforts to obtain Re-Accreditation meeting the ten standards of the National Children's Alliance in June 2009.
- Attended the 2009 and 2010 National Children's Alliance Leadership conference in Washington, D.C.
- Planned and provided ongoing trainings for staff and professionals regarding the General Dynamics of Child Sexual Abuse Training, 3-Day Child Forensic Investigative Interviewing, Research and Evidence Based Research of Interviewing Guidelines, and Cultural Awareness Trainings.
