CLINICAL EXPERIENCE

Manakai O Mālama Integrative Healthcare Group and Rehabilitation Center
Clinical Health Psychologist
October 2017 – Present

I am an integrated behavioral health provider and consultant as part of an integrative, multidisciplinary medical and rehabilitation team including medical staff, physical, occupational, and massage therapists, naturopathic physicians, acupuncturists, and chiropractors. Our team collaborates to provide family medicine, primary care, occupational medicine, sleep disorder treatment, cancer services, chronic disease management, chronic pain services, weight management, and wellness care to our ethnically and culturally diverse patients.

Waimānalo Health Center, Waimānalo, HI

Integrated Primary Care Psychology Postdoctoral Fellow (APA-accredited)

October 2015 – October 2016

As part of a multidisciplinary primary care team, I provided integrated behavioral health services and consultation in a rural, underserved community. I conducted screening, rapid biopsychosocial assessment, diagnostic formulation, and treatment of a wide range of psychological concerns among ethnically and culturally diverse patients of all ages, with a focus on prevention, early identification and brief intervention. I collaborated with medical staff, case management, outreach workers, pain management specialists, psychiatry, alternative medicine and cultural healing practitioners (e.g., acupuncture, la'au lapa'au, lomilomi) to develop comprehensive, supported patient treatment plans. I conducted behavioral health trainings and workshops for patients and health center staff, and clinical supervision of clinical psychology student trainees.

I Ola Lāhui Rural Psychology Training Program, Honolulu, HI

Clinical Psychology Intern (APA-accredited)

August 2014 – August 2015

In an outpatient mental health clinic I provided direct biopsychosocial assessment and intervention services to an ethnically and culturally diverse population of all ages, including children, adolescents, and elderly. I conducted SSDI and SSI disabilities assessments of applicants, including the administration and scoring of relevant assessment instruments (e.g., Wechsler Adult Intelligence Scale – 4) and writing of corresponding reports.

Hawai'i Island Family Health Center, Hilo, HI

Integrated Behavioral Health/Primary Care Psychology Intern (APA-accredited)

August 2014 – August 2015

As part of a multidisciplinary primary care team, I provided integrated behavioral health services and consultation in a rural, underserved community. I conducted screening, rapid biopsychosocial assessment, diagnostic formulation, and treatment of a wide range of psychological concerns among ethnically and culturally diverse patients of all ages, with a focus on prevention, early identification and brief intervention. I provided substance abuse and pain management specialty treatment to patients, including those participating in the clinic suboxone program. I developed and implemented a mindfulness-based behavioral health management program, and facilitated the implementation of primary care pediatric screening protocol. I provided staff training workshops on a variety of behavioral health topics for health center medical staff and providers: *Integrated Behavioral Health, Motivational Interviewing for Health Providers, Compassion Fatigue/Provider Self-Care in Primary Care, and Deescalating Difficult Patients in Medical Settings.*

Kūlana Hawai'i Weight Management Program, I Ola Lāhui, Honolulu, HI

Behavioral Health Provider

May 2013 – August 2015

I provided individual and group behavioral health intervention as part of a multidisciplinary team including registered dietitians and certified fitness instructors for participants in a grant-funded, culturally tailored, comprehensive weight management program for overweight and obese Native Hawaiian and local participants. I assisted patients with comorbid chronic disease and chronic pain conditions, in improving their health behaviors, including providing them with health education, building and strengthening their behavior change skills and strategies, collaboratively problem-solving barriers, and maintaining motivation using motivational interviewing techniques

Center for Cognitive Behavior Therapy Eating Disorders Program, University of Hawai'i at Mānoa

On-Site Clinical Supervisor

May 2012 – May 2013

I provided weekly on-site and crisis supervision for a group of ten ethnically diverse clinic therapists in a university-based outpatient eating disorder clinic. I was responsible for clinic management and case coordination.

Dialectical Behavior Therapy Supervision, Honolulu, HI

Supervisee

January 2012 – May 2013

I participated in bi-monthly DBT supervision consultation for individual and family DBT cases.

Staff Communication Skills Training Group, Lānaʻi Community Health Center, Lānaʻi City, HI

Clinical Organizational Consultant

August 2011 – August 2012

I provided organizational consultation for ethnically diverse community health center staff and administration serving a rural, underserved community to problem-solve employee conflicts/issues, and improve staff communication, teamwork, morale, productivity, and patient care. I developed, implemented and facilitated a conflict management, communication skills training, and team-building intervention for staff and administration.

Get Active! Class, Lānaʻi Community Health Center, Lānaʻi City, HI

Developer/Facilitator

May 2012 – August 2012

I developed, implemented, and facilitated a community outreach healthy lifestyles and weight management intervention curriculum for ethnically diverse overweight and obese patients of a rural, remote, and underserved community. I collected and analyzed program evaluation outcome data, and produced a report of findings submitted to the health center executive and medical directors.

Ke 'Ano Ola Healthy Lifestyles Group, Na Pu'uwai Ke Ola Hou Lānaʻi, Lānaʻi City, HI

Behavioral Health Program Facilitator

August 2011 – August 2012

I facilitated bi-annual 12-week psychoeducational and self-management skills training groups for chronic disease patients in a rural, underserved community. I engaged in outreach programs and behavioral health screenings for health fairs in an ethnically and culturally diverse rural community.

Lānaʻi Community Health Center, Lānaʻi City, HI

Integrated Behavioral Health Provider

August 2011 – August 2012

As part of a multidisciplinary primary care team, I provided integrated behavioral health services and consultation in a rural, underserved community. I conducted screening, rapid biopsychosocial assessment, diagnostic formulation, and treatment of a wide range of psychological concerns among ethnically and culturally diverse patients of all ages, with a focus on prevention, early identification and brief intervention. I developed and implemented behavioral management programs for chronic disease and chronic pain conditions. I conducted community outreach program training workshop presentations on a variety of health topics at local community organizations. I designed, authored, and submitted a grant funding application for the implementation of a cancer coping intervention. I developed and implemented various policy and procedures to ensure the highest quality of services provided by the behavioral health program.

Center for Cognitive Behavior Therapy Eating Disorders Program, University of Hawai'i at Mānoa
Senior Staff Therapist

August 2007 – August 2013

I conducted biopsychosocial assessment and provided specialized treatment of adolescent and adult eating disordered patients. I developed and implemented outreach programming, including presentations and workshops in university courses and community service organizations.

Social Security Disability Income and Supplemental Security Income Disabilities, Honolulu, HI
Disabilities Assessor

August 2010 – August 2011

I conducted SSDI and SSI disabilities assessments of ethnically diverse applicants in an outpatient mental health clinic, including the administration and scoring of relevant assessment instruments (e.g., Wechsler Adult Intelligence Scale – 4) and writing of corresponding reports.

Waimānalo Health Center, Waimānalo, HI

Integrated Behavioral Health Provider

August 2008 – August 2009, August 2010 – August 2011

As part of a multidisciplinary primary care team, I provided integrated behavioral health services and consultation in a rural, underserved community. In the mental health clinic of this community health center I conducted biopsychosocial assessment, diagnostic formulation, and treatment of a wide range of psychological concerns among ethnically and culturally diverse patients of all ages.
