

**Dennis Gibson**

**Senior Vice President, Booz Allen Hamilton**

Dennis Gibson leads the Booz Allen Hamilton's business in the Pacific Rim. Located in Honolulu, Hawaii, Dennis serves U.S. government defense, intelligence and civil agencies, and international and commercial clients throughout the region. With clients and staff in locations throughout the Asia Pacific Region including Guam, Singapore, Korea, Japan, and Alaska. He is responsible for providing clients with a wide range of services across all of the firm's capabilities including digital technology, cyber, advanced analytics, management consulting, engineering/science and operations.

He is a graduate for Thomas Edison State College with a BS in Business Administration. Prior to his career at the firm, Dennis served █ years in the U.S. military. He then took on the role of Vice President for Program Management and Government Business Development for a small IT company focused on remote learning. Dennis joined the firm in 2003 as a Microsoft Certified Systems Engineer + Internet technologist and focused on leading projects in IT infrastructure and strategy. He has grown and led businesses in a variety of key client spaces in the government and industry sectors. Today, as a senior business leader at Booz Allen, Dennis is focused on driving business growth across the Pacific Rim

Dennis has served as a consultant to the Army Science Board, participating in several key summer studies. He previously served as a member of the Executive Council of the Armed Forces Communications and Electronics Association International. Dennis also served on the National Guard Bureau Wargame Team, National Guard Pathways to the Future, and Revolution in Military Affairs. Additionally, he served on the United States Military Academy Selection Committee for U.S. Senator Rick Santorum from 1999-2004.

Dennis is active in many organizations and is committed adding value to Hawaii by contributing to community engagement. He is a member of the Executive Committee and Treasurer of the Hawaii Military Affairs Council. He is also a member of the Hawaii Business Roundtable. And, he currently serves as the Chairman of CyberHawaii.

An age group athlete, Dennis actively competes in bicycling, running and triathlon events in Hawaii and other unique places that coincide with his business travel.
