

To whom it may concern,

My name is Stanley Ruidas and I am interested in representing the Island of Lanai for the Game Management Advisory Commission. I am an avid hunter and for the past eight years, I have been on The Lanai Hunter's Focus Group, with Castle and Cooke previously and now with Pulama Lanai. I have also been on the Lanai Community Plan Advisory Committee for four years and prior to that, on The Lanai Planning Commission for five years. I have lived on Lanai all of my life and was introduced to hunting at the age of nine by my dad. In 1981, I completed the Hunter Education Program, which was the first class for the Lanai residents. I have experienced hunting in Wyoming and New Zealand. I have also attended four SCI conventions in Reno and Las Vegas. I have been on the GMAC from June 2017, with a term ending on June. Please consider my application for the Game Management Advisory Commission.

Aloha and Mahalo,

Stanley Ruidas
