Hoisting Machine Operators' Advisory Board (HMOAB)

I am writing this letter in strong support of the confirmation of Don Bailey to the Hoisting Machine Operators Advisory Board.

Don "Doc" Bailey would be a valuable addition as a member of the Hoisting Machine Operators Advisory Board. Mr. Bailey would bring to the Board a wealth of knowledge and expertise in all aspects of the crane industry—including, but not limited to, inspections and repair; sales and rentals; and training and certification of operators. Mr. Bailey also brings to the HMOAB his broad experience in the crane industry of both California and Hawaii.

Mr. Bailey is the CEO and President of Doc Bailey Cranes and Equipment Inc. which he founded in 1986. The company operated in California before expanding to Hawaii in 1991.
