Senator Kaiali'i Kahele
Chair-Senate Committee on Higher Education
Senate District 1
Hawaii State Capitol, Room 213
415 South Beretania St.
Honolulu, HI 96813

Dear Honorable Chair Kahele and the Senate Higher Education Committee,

I am pleased to support the appointment and confirmation of Ms. Kai Duponte to the Hawaii Commission for National and Community Service.

This Commission enacted by Federal Statute, is responsible for administering and receiving federal funds to support AmeriCorps Programs in the State of Hawaii. There are currently 9 programs in the Hawaii portfolio, with approximately 350 to 400 members serving throughout the state bringing in over \$3,800,000.00 a year in Federal Funds. The current focus areas of our programs concentrate on land conservation; legal help for the needy, sustainable agriculture, early childhood care, and helping people with disabilities find employment.

The composition of the Commission by Federal statute requires a minimum of 15 members, an equal representation of political parties with NO one party having a majority, and representation of various professional occupations.

Ms. Duponte will represent Social Services. I have had the privilege to work with her the past two years on the Commission, and she has been a very valuable leader in supporting community service and volunteerism in Hawaii. Her appointment will also allow the Commission to maintain the equal balance between political parties that is needed to remain compliant with the Federal Statutes.

Please allow Ms. Duponte the opportunity to continue to serve on the Hawaii Commission for National and Community Service by confirming her to another term.

Respectfully,

Tracy Lee
Operational Supervisor
Hawaii Commission for National & Community Service
