H.B. NO. 1091

A BILL FOR AN ACT

RELATING TO THE STATE LIBRARIAN'S SALARY.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that existing law
2 authorizes the board of education to set the salary of the state
3 librarian but the salary cannot exceed a specific amount, also
4 referred to as a salary cap.

5 The legislature further finds that it is a challenge to
6 recruit and fill this state leadership position because the
7 statutory salary cap is not in alignment with national salary
8 norms and therefore is not competitive with or in the range of
9 the salaries of other similar administrative leadership
10 positions at comparable library systems.

11 The legislature further finds that the statute governing
12 the state librarian's salary has not been amended since 2001 and
13 that the salary cap should be revised as a matter of equity, to
14 account for cost of living increases.

15 Amending the current salary cap for the state librarian was
16 based on a review of the salaries of library directors with
17 comparable budgets, population sizes, and number of employees
18 across the country. Salaries of similar positions in other

H.B. NO. 1091

1 states support the change to a higher salary cap. The state
2 librarian is responsible for a statewide district, whereas most
3 librarians are responsible for only a city or county.

4 The amendment to the salary cap will also provide the board
5 of education with more discretion in hiring, recruiting, and
6 retaining the top librarian for Hawaii's public libraries

7 The purpose of this Act is to provide the board of
8 education, as the appointing body of the state librarian, with
9 more flexibility to establish the salary of the state librarian,
10 by increasing the salary cap on the state librarian position.

11 SECTION 2. Section 312-2.1, Hawaii Revised Statutes, is
12 amended by amending subsection (b) to read as follows:

13 "(b) The salary of the state librarian shall be set by the
14 board of education [~~at a rate no greater than \$120,000 a year.~~];
15 provided that the salary of the state librarian shall not exceed
16 the superintendent's salary."

17 SECTION 3. Statutory material to be repealed is bracketed
18 and stricken. New statutory material is underscored.

19 SECTION 4. This Act shall take effect upon its approval.

JUSTIFICATION SHEET

DEPARTMENT: Education

TITLE: A BILL FOR AN ACT RELATING TO THE STATE LIBRARIAN'S SALARY.

PURPOSE: To increase the State Librarian's salary cap from \$120,000 per year to an amount not to exceed the Superintendent's salary.

MEANS: Amend section 312.2.1(b), Hawaii Revised Statutes.

JUSTIFICATION: The current salary cap is not consistent with the duties and responsibilities of the position and not in alignment with national salary norms. Salaries of similar positions in other states with comparable budgets, population sizes, and number of employees are significantly greater than the salary cap of Hawaii's State Librarian. The State Librarian is responsible for a statewide district, whereas most librarians are responsible for only a city or county. The statute governing the State Librarian's salary has not been amended since 2001, and the salary cap should be revised as a matter of equity, to account for cost of living increases. Amending the current salary cap for the State Librarian would provide the Board of Education with the authority and latitude to establish the salary of this leadership position commensurate with various factors, including the breadth of responsibilities and duties of the position, the experience and skills the individual brings to the position, and the job performance of the individual. Adjusting the salary cap would also provide the Board of Education with the flexibility it needs to attract and retain individuals to support a strong statewide public library system. The quality of leadership directly impacts the quality of the organization and the

provision of the Hawaii State Public Library System's most important service: to provide Hawaii's residents with access to education, information, programs, and services.

Impact on the public: None.

Impact on the department and other agencies: None.

House Bill 1091 Relating to the State Librarian's Salary

Dear Chair Takumi, Vice Chair Har, and Members of the Committee:

The Board of Education ("Board") voted to testify in support of House Bill 1091, which increases the salary cap on the State Librarian position.

This bill will provide the Board with the flexibility and discretion it needs to attract and retain high-quality candidates while simultaneously setting a degree of accountability by tying the salary of the State Librarian to another statutory position and ensuring that it never exceeds the salary of the Superintendent.

Thank you for this opportunity to testify on behalf of the Board.

Very truly yours,

A handwritten signature in cursive script that reads "Lance A. Mizumoto".
