**SUBJECT: Measure:** H.B. No. 2163 – Relating to Early Education  
**Hearing Date:** February 7, 2018  
**Time:** 2:10 p.m.  
**Location:** Room 309

**Purpose of Bill:** Appropriates funds to the Executive Office on Early Learning for personnel, supplies, and equipment to support the Office and Early Learning Board.

**EXECUTIVE OFFICE ON EARLY LEARNING'S POSITION:** The Executive Office on Early Learning (EOEL) strongly supports H.B. No. 2163.

We appreciate the Legislature's support of EOEL's work to increase access to high-quality early learning. EOEL is statutorily responsible for the development of the State's early childhood system that shall a spectrum of high-quality development and learning opportunities for children throughout the state, from prenatal care until the time they enter kindergarten, with priority given to underserved or at-risk children.

This bill reflects the funding request included in the Executive Supplemental Budget for early learning (Program ID EDN700). The details of our request are attached.

The funding will support the responsibilities of EOEL and the Early Learning Board, which has transitioned into a governing board (Act 202, Regular Session of 2017), by providing for additional operational costs, including equipment, supplies, and personnel costs associated with Act 202 and Act 49, Session Laws of Hawaii 2017 (the State budget).

Thank you for the opportunity to testify on this bill. I am happy to answer any questions you may have.

Dear Chair Woodson, Vice Chair Kong and Members of the Committee:

My name is Robert G. Peters and I am the retired Head of an independent school in Honolulu which has a pre-K program. Over the past 10 years, I have served as a member of the Early Learning Task Force, the Early Learning Council and the Early Learning Advisory Board, which is now the Early Learning Board (ELB). Although not serving as a spokesperson for the ELB at this time, I thank you for this opportunity to testify in support of HB2163.

HB2163 provides funding to support the responsibilities of the Executive Office of Early Learning and the Early Learning Board, which transitioned to a governing board with the passage of Act 202 this past session. It addresses additional costs for equipment, personnel and supplies, specifically,

- Office Assistant Position: to support the governing responsibilities of the Early Learning Board, created by Act 202, and the EOEL as it expands the Pre-Kindergarten Program;
- Data Processing Technician to support EOEL Staff in the operation, management and trouble-shooting of computer systems;
- Travel expenses for Neighbor Island Early Learning Board members for monthly board meetings and sub-committee meetings;
- Phone Lines and Computer Equipment to support new staff positions and ELB;
- Supplies/Printing for the ELB to meet its statutory obligations.

All of these expenses are designed to facilitate the EOEL and the ELB in fulfilling their responsibilities provided in statute as they seek to increase access to quality early learning as part of a state wide system for early childhood. This funding will support our efforts to prepare our keiki for success in an ever-changing world.

I urge you to support this legislation and appreciate this opportunity to offer testimony.

Sincerely,

Robert G. Peters, EdD

**On behalf of Hawaii Children's Action Network (HCAN), we are writing in SUPPORT of H.B. 2163, which would appropriate funds to the Executive Office on Early Learning (EOEL) for personnel, supplies, and equipment to support the Office and Early Learning Board.**

The funding provided by this measure will support the responsibilities of EOEL and the Early Learning Board. EOEL's mission is to develop and administer a high-quality early learning system for Hawaii's children from birth until they enter kindergarten. HCAN strongly supports the mission of EOEL and appreciates the Legislature prioritizing investment in early learning.

**For these reasons, HCAN respectfully requests that the committee pass this bill.**

*HCAN is committed to building a unified voice advocating for Hawaii's children by improving their safety, health, and education.*
