Comments:

The Queen's birthday should stand alone from Labor Day and it need not be a holiday.

It's great that the legislature is looking to recognize important people in Hawaiian history. We are the Hawaiian Islands. Having a designated day for Queen Liliuokalani is as it should be. Clarifying the day and the Labor day would help make the bill make more sense, at least to me. This now leaves me wondering what the legislature will do with January 17th?

Thank you.

C. Burghardt
