**TESTIMONY ON HOUSE BILL NO. 2349, H.D.1, RELATING TO CITATIONS FOR
MOTOR VEHICLE REPAIR VIOLATIONS.**

TO THE HONORABLE ROY M. TAKUMI, CHAIR, AND MEMBERS OF THE
COMMITTEE:

The Department of Commerce and Consumer Affairs (“Department”) appreciates the opportunity to testify on H.B. 2349, H.D.1, Relating to Citations for Motor Vehicle Repair Violations. My name is Daria Loy-Goto, and I am the Complaints and Enforcement Officer for the Department’s Regulated Industries Complaints Office (“RICO”). The Department strongly supports this administration bill, which is a companion to S.B. 2776.

SECTION 1 of this bill authorizes RICO to issue citations to motor vehicle repair licensees for the following three technical violations of the motor vehicle repair laws: (1) failure by a repair dealer to conspicuously display a registration or certification certificate; (2) failure by a repair dealer to conspicuously post required signage containing contact information for the Motor Vehicle Repair Industry Board; and (3)

failure by a mechanic to carry or have readily available for inspection the pocket card issued by the Department indicating proof of registration.

The citation process requires personal service of the citation upon the licensee and affords the licensee an opportunity to request a hearing to contest the citation within twenty calendar days from the service of the citation. This bill also provides that failure to pay any assessed fine within thirty calendar days, unless the licensee contests the citation, may subject the licensee to further disciplinary action.

To address issuing citations to licensees, RICO submitted a legislative proposal in 2016, S.B. 2863, authorizing it to issue citations to massage therapy licensees for technical violations of the massage therapy laws. The bill was enacted as Act 146 and has resulted in a more efficient and effective use of RICO resources.

During the 2017 legislative session, RICO proposed a similar bill, S.B. 947, to allow it to issue citations to cosmetology licensees. Pursuant to Act 148, RICO is now able to cite these licensees for technical violations of beauty culture laws.

These recent citation laws have positively impacted RICO's efforts to curb violations by licensees, ensure swift compliance, and more effectively allocate its resources. Similarly, the enforcement mechanisms in H.B. 2349, H.D.1 will significantly enhance RICO's ability to address technical violations of the motor vehicle repair licensing laws by licensees.

RICO notes H.B. 2349, H.D.1 amended language on page 1, line 9 of the bill to read "the department may issue a citation to any person who holds a motor vehicle repair dealer or motor vehicle repair mechanic license for any of the following violations of this chapter or the rules adopted pursuant to ~~this chapter and to~~ chapter 91" and defected the effective date. RICO notes this deleted language is consistent with language found in similar licensing provisions. As such, RICO respectfully requests the Committee amend this bill to restore the deleted language and effective date. A companion bill, S.B. 2776, has been heard by the Committee on Commerce, Consumer Protection, and Health and was passed unamended.

Thank you for the opportunity to testify in strong support of this administration bill, and we ask for your favorable consideration.
