H.B. 2353, H.D.1 – Relating to Public Libraries

To: Chair Luke, Vice-Chair Cullen and Members of the Committee on Finance

The Hawaii State Public Library System (HSPLS) **strongly supports** H.B. 2353, H.D.1, which makes miscellaneous technical amendments to update language and facilitate library operations.

Upon approval, the HSPLS intends to update its administrative rules, including an update to the fee schedule for the rental of our community meeting spaces. Revenue from the rental of these community spaces provides additional revenue to the individual libraries.

Thank you for the opportunity to comment on this measure.
