Hearing: Friday, February 2, 2018
2:00 PM; Room 329

Position: Comments on HB 2410, Relating to Intoxicating Liquor

Dear Chair Takumi, Vice Chair Ichiyama, and Members:

The Liquor Commission, City and County of Honolulu (Commission), appreciates the opportunity to submit testimony providing comments on House Bill 2410, Relating to Intoxicating Liquor.

The Commission fully supports legislation that both enables licensees to conduct their businesses in a profitable but compliant manner that also gives reasonable flexibility to regulators in addressing the changing nature of the liquor industry. That said, the proposed measure would not impact City and County of Honolulu Class 14 Brewpub and Class 18 Small Craft Producer Pub licensees as the Commission does not prohibit by rule the presence of minors on these classes of premises.

The Liquor Commission appreciates the opportunity to provide testimony on House Bill 2410, Relating to Intoxicating Liquor.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Franklin Don Pacarro, Jr.", is written over a large, stylized blue scribble.

HB 2410

Relating to Intoxicating Liquor, Brewpubs and Small Craft Producer Pub Licensees

House Committee on CPC: Consumer Protection & Commerce

Friday, Feb 2, 2018 at 2:00 p.m. Conference Room 329

Chair Roy Takumi, Vice Chair Linda Ichiyama, and House Members of the Committee on Consumer Protection and Commerce,

Position: **Support**

My name is Russell Adkins, I live in Pukalani, Maui and I am the CFO at Maui Brewing Company doing business in Kihei, Kahana, Waikiki, and soon Kailua, HI. Our brewery began in 2005 with 23 employees. We now provide several hundred jobs in Hawaii.

Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from being together at a brewpub reduces the number of customers visiting our tasting room. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer.

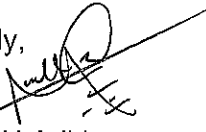

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

Minors visiting breweries and tasting rooms that offer tours and education about craft brewing are able to broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs. A majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an opportunity to learn about and experience craft brewing at a brewery also provides exposure for potential careers, similar to culinary career opportunities.

Mahalo for your consideration. We urge you to pass this bill.
Thank you for the opportunity to provide testimony in support of HB 2410.

Chair Cindy Evans, Vice Chair Jarrett Keohokalole, and House members of the Committee on Economic Development and Business

Position: **Support**

Big Island Brewhaus was founded initially in 2008 with 9 original employees as a community gathering place serving local cuisine and hand-crafted beers. We have grown into a team of 40 Big Island residents that sells award winning beers throughout Hawaii and is focused on using local sources for our food and beer. We have done this in the face of significant challenges to growth at all levels; financial, shipping, taxation, legislative and more. Changes like this bill can help us continue our success and help others to do the same. We appreciate the on-going support of all individuals and legislators who support issues which enable local manufacturers and businesses to thrive in Hawaii.

HB 2410 would permit a brewpub and small craft producer pub licensees to allow minors, who are accompanied by a parent or legal guardian of legal drinking age, on the licensee's premises.

- ♦ Breweries and tap rooms are popular places to meet friends and family -- community gathering places. This bill would allow minors to be part of family friendly gatherings, encouraging responsible drinking.
- ♦ Restricting families from being together at a brewpub reduces the number of customers visiting our Hawaii breweries and brewpubs, a growing business sector in Hawaii, while allowing families to be together at restaurants that serve beer and other alcoholic beverages is not restricted.
- ♦ Cruise ship and other tourism visitors are discouraged from visiting brewpubs and taprooms in Hawaii when family members that are minors are not allowed on the premises, even if accompanied by a parent or guardian of legal drinking age.

- ♦ Minors visiting breweries and tasting rooms that offer tours and education about craft brewing can broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs.
- ♦ A majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an opportunity to learn about and experience craft brewing at a Hawaiian brewery also provides exposure for potential careers, similar to culinary career opportunities.
- ♦ These locations provide sample tastings and information on the beverages being served while also educating visitors on the local nature of the company. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer.
- ♦ Tap rooms and breweries are not about mass consumption, they offer a comfortable place for customers to taste craft beer and offer alternative beverages for minors. These experiences model responsible consumption of alcohol.
- ♦ Breweries and taprooms are not always tied to a kitchen serving food. Some offer food from food truck vendors, some allow customers to bring in food, especially smaller breweries that are just starting out. Some State of Hawaii counties do not allow minors on the premises unless a designated percent of revenue comes from food sales – we oppose this restriction for all these reasons above.
- ♦ HB 2410 can certainly allow limitations and further restrictions to be applied, including set hours after which minors cannot be in a taproom or brewpub – mirroring rules for restaurants and bars.

Mahalo for your consideration, We urge you pass this bill. Thank-you for the opportunity to provide testimony in support of HB 2410.

Sincerely,

Thomas D. Kerns

My name is Geoffrey Seideman, I live in Hawaii Kai, Oahu, and I am the Owner and Brewer of **Honolulu BeerWorks** brewery in Kaka'ako. Mahalo for the opportunity to submit testimony, I apologize that I could not be there in person as my growing business needs me present. I am writing on behalf of our local family-operated business, Honolulu Beerworks, in support of **HB2410**. Our Brewery began business in 2014 with 18 initial employees. We now provide 36 jobs in Hawaii with plans for more job opportunities in the near future.

Honolulu Beerworks support HB 2410 because we want everyone to be able to come and enjoy our beer and food regardless if they have children with them or not.

Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from being together at a brewpub reduces the number of customers visiting our brewery. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. (If this is the case for your brewery, mention it here. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

HB 2410

Relating to Intoxicating Liquor, Brewpubs and Small Craft Producer Pub Licensees

House Committee on CPC: Consumer Protection & Commerce
Friday, Feb 2, 2018 at 2:00 p.m. Conference Room 329

Chair Roy Takumi, Vice Chair Linda Ichiyama, and House Members of the Committee on Consumer Protection and Commerce,

Position: **Support**

My name is Joe Lorenzen. I live in Honolulu, on the island of Oahu, and I am a partner in and Brewmaster of Waikiki Brewing Company with business locations in Waikiki and in Kaka'ako.

We support HB 2410 for the following reasons:

Breweries and brewpubs offer a nice, family friendly environment for people to gather together in their communities. HB 2410 allows for minors to be in attendance so long as they are accompanied by a parent or guardian of legal drinking age. Restricting families from gathering together at a brewpub only serves to harm business. Making it easier for both residents and visitors to Hawaii to enjoy our establishments is good for business, revenue, and job creation in the growing craft beverage industry.

In addition, allowing minors to visit breweries, brewpubs, and tasting rooms that offer educational tours and information about craft brewing are able to consider possible career opportunities in the industry. The craft beer industry in Hawaii has been and continues to be one of the fastest growing manufacturing sectors in the state, and a viable career for any person to consider.

Mahalo for your consideration. We urge you to pass this bill.

Thank you for the opportunity to provide testimony in support of HB 2411.

Sincerely,

Joe P. Lorenzen

Submitted By	Organization	Testifier Position	Present at Hearing
Joshua	Maui Brewing Company	Support	Yes

Comments:

I , Joshua Guidi, am a Department Head with Maui Brewing Company on the island of Oahu. We here at Maui Brewing Company are leading the forefront on Craft Brewing and sustainability, as well contributing back to our local communities. I have been with the company for a fairly short period of time, two years, and can testify that in that very short period of time that this company goes over and beyond to due its due diligence to keep it integrity and highest quality product to our guests and supporters.

In the near future, our Brewery plans on being fully solar polared and introducing a one of kind CO2 capturing process, which will recycle deadly gases back into the brewery process rather than the atmosphere. We sponsor local oraganiztion fundraisers and plan on opening 3 more local operations which will give back over 500 jobs to our local communities. We are also looking for viable plastic recycling materials to make our retail clothing out of. We need all the help we can get to give back to our communities. Please vote to support us in our endeavors.

I will be willing to get up in person and testify.

Aloha,

Joshua Guidi

Re: In **SUPPORT, HB2410**, Relating to Intoxicating Liquor, Brewpubs and Small Craft Producer Pub Licensees

Aloha Chair Roy Takumi, Vice Chair Linda Ichiyama, and House Members of the Committee on Consumer Protection and Commerce,

My name is Garrett W. Marrero, I live in Kula, HI. We have locations on Maui in Lahaina and Kihei, and on Oahu in Waikiki and Kailua. We distribute across the Hawaii, 23 other States, and 13 countries. We began in 2005 with 26 team members and have added more than 500 jobs since then. My wife and I were selected as the National Small Business Persons of the year in 2017 for our work at Maui Brewing Co. I'm writing on behalf of myself and our local family-operated business in support of **HB2410** which creates a uniform application of State Law allowing Minors to be present in a tasting room with a parent/guardian.

Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from being together at a brewpub reduces the number of customers visiting the tasting rooms of breweries on Maui and Kauai. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer. Visitors with families especially are affected as there is no way to accommodate them on their visits. This hurts the local tourism climate for breweries.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian. We have cruise ships and tourists from organized tours visiting our brewery. Cruise ship and other tourism visitors are discouraged from visiting brewpubs and taprooms in Hawaii when family members that are minors are not allowed on the premises, even if accompanied by a parent or guardian of legal drinking age.

Maui Brewing Co. is unaffected by these rules as we have always been granted a variance from the rule. Unfortunately, our friends at Kohola were unable to gain the same exception. Interestingly enough Kohola occupies our old space that had the right to have minors present.

Breweries and taprooms are not always tied to a kitchen serving food. Our brewery in the past offered food from food truck vendors; yet this did not meet the rules of the County LC as a company owned, licensed kitchen was required. Rules even state the protein and carbohydrate ratios of foods served. This is an over-reaching application of rule despite State law.

Handcrafted Ales & Lagers Brewed with Aloha
605 Lipoa Parkway, Kihei, HI 96753
808.213.3002

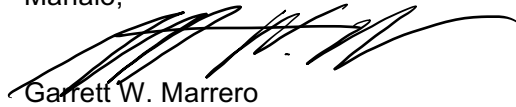

Minors visiting breweries and tasting rooms that offer tours and education about craft brewing are able to broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs. A majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an opportunity to learn about and experience craft brewing at a brewery also provides exposure for potential careers, similar to culinary career opportunities.

In short, we respect the absolute necessity to manage consumption and would never do anything that would allow minors to consume. We believe allowing minors in tasting rooms under the right circumstances will support local production and responsible consumption of alcohol.

Mahalo for your consideration. We urge you to pass this bill.

Thank you for the opportunity to provide testimony in support of HB 2410.

Mahalo,

HB 2410

Relating to Intoxicating Liquor, Brewpubs and Small Craft Producer Pub Licensees, and Minors

House Committee on CPC: Consumer Protection & Commerce
Friday, Feb 2, 2018 at 2:00 p.m. Conference Room 329

Chair Roy Takumi, Vice Chair Linda Ichiyama, and House Members of the Committee on Consumer Protection and Commerce,

Position: **Support**

The Hawaiian Craft Brewers Guild is a non-profit Hawaii trade organization that seeks to promote production of independent craft beer in Hawaii. The number of independent craft breweries in Hawaii continues to grow, and several breweries have recently, or are in the process of expanding. The Hawaiian Craft Brewers Guild is united in our pursuit to promote economic activity for Hawaii's beer manufacturers and enhance opportunities in our communities. Our members represent the majority of the craft beer producers in Hawaii, with members producing 100% of their beer in Hawaii.

The Hawaiian Craft Brewers Guild embraces and promotes the responsible consumption of alcohol.

While minors are allowed to be in some craft beer establishments with a parent or legal guardian of legal drinking age, this is not consistent across the State of Hawaii. The Hawaiian Craft Brewers Guild supports HB2410 because it removes these inconsistencies that create a disadvantage for some of Hawaii's craft beer brewpubs and small craft producer establishments.

Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer. Breweries and tap rooms are popular places to gather with friends and family. HB2410 would allow minors to be part of these family friendly events, encouraging responsible drinking. The Hawaii craft beer industry is a growing business sector. Restricting families from being together at a brewpub reduces the number of customers visiting our Hawaii breweries and brewpubs.

Some State of Hawaii counties do not allow minors on the premises unless a designated percent of revenue comes from food sales from their kitchen. Breweries and taprooms are not always tied to a kitchen serving food, especially true in the case of smaller breweries that are

just starting out. Some offer food from food truck vendors, some allow customers to bring in food.

Cruise ship and other tourism visitors are discouraged from visiting brewpubs and taprooms in Hawaii when family members that are minors are not allowed on the premises, even if they are accompanied by a parent or guardian of legal drinking age.

The majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an opportunity to learn about and experience craft brewing at a Hawaii brewery provides exposure for potential careers, similar to culinary career opportunities. Minors visiting breweries and tasting rooms that offer tours and education about craft brewing are able to broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs.

Tap rooms and breweries are not about mass consumption, they offer a comfortable place for customers to taste craft beer and offer alternative beverages for minors. These experiences model responsible consumption of alcohol.

The Hawaiian Craft Brewers Guild appreciates consideration of HB2410 and we urge you to pass this bill. Thank you for the opportunity to provide testimony in support of HB2410.

RE: HB 2410 relating to a small craft beer producer tax credit in support with amendments.

Aloha Chair Roy Takumi, Vice Chair Linda Ichiyama and House Members on CCP

Lanikai Brewing Company is a locally owned and operated Craft Brewery here on Oahu and we are in support of HB2410.

HB2410 solidifies language that allows minors with adult supervision to visit tap rooms, be part of ohana gatherings and learn responsible consumption. Currently, some counties allow minors in tap rooms and others do not. Currently, we tend to have many families as part of our customer base of both visitors and locals to come, enjoy and be responsible. If a visitor traveling with their family with minors was not able to bring their family to our tap room, we would lose out on revenue and the visitor would lose out on the experience. Even more confusing is that some counties require a certain percentage of food revenue even if the minor is accompanied by an adult. We support consistency throughout Hawaii so that families and visitors can enjoy our tap houses together. Yet another example is with brewery tours. Currently in some counties, minors would not be permitted to see the working manufacturing facility and therefore learn more about the business of brewing and manufacturing and exposing themselves to optional career paths like they could with culinary career opportunities.

Thank you for the opportunity to send testimony. This bill will absolutely create new jobs here in Hawaii, strengthen our Made in Hawaii brand value for locals and visitors, as well as allow the industry to flourish and expand. Further, due to the costs of manufacturing here locally, this would allow us small business owners to be more competitive on the national scale furthering growth of jobs here in Hawaii.

Lanikai Brewing Company is an Island Inspired® authentic Hawaiian craft beer company making 100% of our brews here in Hawaii. We take our cues from premium, local, rare, and exotic ingredients grown by local farmers and foraged across the Pacific to bring you bold and flavorful beers that you will find nowhere else utilizing Hawaiian terroir. **Please note that variances in growing season conditions can impact batch-to-batch flavor and aroma profiles.

REAL a gastropub was founded initially in 2012 with 18 original employees as a community gathering place serving local cuisine and hand-crafted beers. We are relocating, rebuilding our flagship and incorporating a 7BBL brewery named Bent Tail Brewing Company into our new location at Keauhou Lane in Kakaako. We will be able to grow into a team of 40 Honolulu residents that sells award winning beers throughout Oahu and with a focus on using local sources for our food as we have since our opening and now add this principal to our beer. We have done this in the face of significant challenges to growth at all levels; financial, shipping, taxation, legislative and more. Changes like this bill can help us continue our success and help others to do the same. We appreciate the on-going support of all individuals and legislators who support issues which enable local manufacturers and businesses to thrive in Hawaii.

HB 2410 would permit a brewpub and small craft producer pub licensees to allow minors, who are accompanied by a parent or legal guardian of legal drinking age, on the licensee's premises.

- ♦ Breweries and tap rooms are popular places to meet friends and family -- community gathering places. This bill would allow minors to be part of family friendly gatherings, encouraging responsible drinking.
- ♦ Restricting families from being together at a brewpub reduces the number of customers visiting our Hawaii breweries and brewpubs, a growing business sector in Hawaii, while allowing families to be together at restaurants that serve beer and other alcoholic beverages is not restricted.

- ♦ Cruise ship and other tourism visitors are discouraged from visiting brewpubs and taprooms in Hawaii when family members that are minors are not allowed on the premises, even if accompanied by a parent or guardian of legal drinking age.
- ♦ Minors visiting breweries and tasting rooms that offer tours and education about craft brewing can broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs.
- ♦ A majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an opportunity to learn about and experience craft brewing at a Hawaiian brewery also provides exposure for potential careers, similar to culinary career opportunities.
- ♦ These locations provide sample tastings and information on the beverages being served while also educating visitors on the local nature of the company. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer.
- ♦ Tap rooms and breweries are not about mass consumption, they offer a comfortable place for customers to taste craft beer and offer alternative beverages for minors. These experiences model responsible consumption of alcohol.
- ♦ Breweries and taprooms are not always tied to a kitchen serving food. Some offer food from food truck vendors, some allow customers to bring in food, especially smaller breweries that are just starting out. Some State of Hawaii counties do not allow minors on the premises unless a designated percent of revenue comes from food sales – we oppose this restriction for all these reasons above.
- ♦ HB 2410 can certainly allow limitations and further restrictions to be applied, including set hours after which minors cannot be in a taproom or brewpub – mirroring rules for restaurants and bars.

Mahalo for your consideration, We urge you pass this bill. Thank-you for the opportunity to provide testimony in support of HB 2410.

HB 2410

Relating to Intoxicating Liquor, Brewpubs and Small Craft Producer Pub Licensees

House Committee on CPC: Consumer Protection & Commerce
Friday, Feb 2, 2018 at 2:00 p.m. Conference Room 329

Chair Roy Takumi, Vice Chair Linda Ichiyama, and House Members of the Committee on Consumer Protection and Commerce,

Position: **Support**

My name is Nicolas Wong, I live in Honolulu and I am the CEO of Beer Lab HI brewery doing business in Honolulu. Our brewery began in 2016 with 3 employees. We now provide 12 jobs in Hawaii.

We at Beer Lab HI support HB 2410 because we feel a brewery/brewpub is a family atmosphere and should be able to be enjoyed by the whole family if that family chooses to do so.

Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from being together at a brewpub reduces the number of customers visiting our brewpub. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

Minors visiting breweries and tasting rooms that offer tours and education about craft brewing are able to broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs. We focus on not only the brewing of beer but on the science of fermentation. The science of fermentation (zymurgy) is utilized in many of the foods we consume on a daily basis i.e. cheese, bread, soy sauce etc. and we enjoy sharing this with minors. A majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an opportunity to learn about and

experience craft brewing at a brewery also provides exposure for potential careers, similar to culinary career opportunities.

Mahalo for your consideration. We urge you to pass this bill.
Thank you for the opportunity to provide testimony in support of HB 2410.

HB 2410

Relating to Intoxicating Liquor, Brewpubs and Small Craft Producer Pub Licensees

House Committee on CPC: Consumer Protection & Commerce
Friday, Feb 2, 2018 at 2:00 p.m. Conference Room 329

Chair Roy Takumi, Vice Chair Linda Ichiyama, and House Members of the Committee on Consumer Protection and Commerce,

Position: **Support**

My name is Bret Larson and I am the owner of Kauai Island Brewing Company doing business in Eleele, Kauai. Our brewery began in 2012 with 25 employees. We now provide 35 jobs in Hawaii. I support HB 2410.

Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from entering together at a brewpub reduces the number of customers visiting our establishment. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

Minors visiting breweries and tasting rooms that offer tours and education about craft brewing are able to broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs. We are oftentimes faced with severe shortages of qualified labor. We are finding more and more brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an opportunity to learn about and experience craft brewing at a brewery also provides exposure for potential careers, similar to culinary career opportunities.

Mahalo for your consideration. We urge you to pass this bill.
Thank you for the opportunity to provide testimony in support of HB 2410.

HB 2410

Relating to Intoxicating Liquor, Brewpubs and Small Craft Producer Pub Licensees

House Committee on CPC: Consumer Protection & Commerce

Friday, Feb 2, 2018 at 2:00 p.m. Conference Room 329

Chair Roy Takumi, Vice Chair Linda Ichiyama, and House Members of the Committee on Consumer Protection and Commerce,

Position: **Support**

My name is Jim Guerber and I am the President of the Kauai Beer Company, located in downtown Lihue, Kauai on Rice Street. We have been in business here since 2006 and began formally serving beer in September 2013. We have been instrumental in the effort to revitalize our downtown and are widely recognized for our contribution in that regard. We are in the process of renovating an adjacent space, which will dramatically enhance our ability to serve a larger customer base, increase production and increase our personnel, which is presently 34 full and part-time personnel.

The Kauai Beer Company supports HB 2410 for the following reasons:

Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from being together at a brewpub reduces the number of potential customers. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. On Kauai, we are required to have 30% of our gross revenue from food in order to allow minors on our premises. We support having less confusing and more consistent policies throughout the State, allowing for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

We support the idea that minors visiting breweries and tasting rooms that offer tours and education about craft brewing are able to broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs. A

majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an opportunity to learn about and experience craft brewing at a brewery also provides exposure for potential careers, similar to culinary career opportunities.

A significant amount of our business is from families, residents and visitors. We are fortunate to have achieved that food percentage because we would be significantly penalized if we were unable to be a family friendly micro-brewery.

Thank you for the opportunity to provide testimony in support of HB 2410.

Jim Guerber
President
Kauai Beer Company

HB 2410

Relating to Intoxicating Liquor, Brewpubs and Small Craft Producer Pub Licensees

House Committee on CPC: Consumer Protection & Commerce

Friday, Feb 2, 2018 at 2:00 p.m. Conference Room 329

Chair Roy Takumi, Vice Chair Linda Ichiyama, and House Members of the Committee on Consumer Protection and Commerce,

Position: **Support**

My name is Jon DuPont, I live in Kihei, Maui and I am a Brewing Supervisor the Maui Brewing Company brewery doing business in across all of Hawaii, as well as distribution to mainland and other countries. Our brewery began in 2005 with 20+ employees. We now provide 500+ jobs in Hawaii.

I support HB 2410 because it will allow us to continue to grow by allowing us to accommodate a more diverse audience, particularly families, at all locations.

Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from being together at a brewpub reduces the number of customers visiting our tasting rooms. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian. Our brewery has a taproom with no focus on food. We currently offer food from food trucks in order to allow families. We have cruise ships and tourists from organized tours visiting our brewery. Cruise ship and other tourism visitors are discouraged from visiting brewpubs and taprooms in Hawaii when family members that are minors are not allowed on the premises, even if accompanied by a parent or guardian of legal drinking age.

Minors visiting breweries and tasting rooms that offer tours and education about craft brewing are able to broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs. Creating a barrier to entry only leads to a lack of interest in the industry amongst the local population. A majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. In the past 2-3 years of participating in our hiring process, I have never seen a qualified applicant for a brewing position

who is from Hawaii. Providing young people with an opportunity to learn about and experience craft brewing at a brewery also provides exposure for potential careers, similar to culinary career opportunities.

Mahalo for your consideration. We urge you to pass this bill.
Thank you for the opportunity to provide testimony in support of HB 2410.

Sincerely,

A handwritten signature in blue ink, appearing to be "G. D. [unclear]". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

HB 2410
Relating to Intoxicating Liquor, Brewpubs and Small Craft Producer Pub Licensees

House Committee on CPC: Consumer Protection & Commerce
Friday, Feb 2, 2018 at 2:00 p.m. Conference Room 329

Lilah Inaba
140 Uwapo Rd., 7-101
Kihei, HI 96753
(808) 281-4329

Chair Roy Takumi, Vice Chair Linda Ichiyama, and House Members of the Committee on Consumer Protection and Commerce,

Position: **Support**

My name is Lilah Inaba I live in Kihei, HI and I work at Maui Brewing Co. with business locations in Lahaina, Kihei, Waikiki and Kailua on Maui and Oahu.

Our brewery began in 2005 with 26 employees. We now have a team of over 550 in Hawaii.

I support HB 2410 because it will help our team and other craft breweries to grow and create jobs in Hawaii.

Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from being together at a brewpub reduces the number of customers visiting our county's brewery tasting rooms. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer. Visitors with families especially are affected as there is no way to accommodate them on their visits. This hurts the local tourism climate for breweries.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

We have cruise ships and tourists from organized tours visiting our brewery. Cruise ship and other tourism visitors are discouraged from visiting brewpubs and taprooms in Hawaii when family members that are minors are not allowed on the premises, even if accompanied by a parent or guardian of legal drinking age.

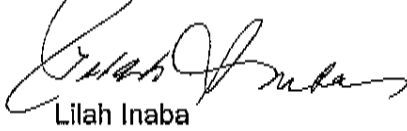

Breweries and taprooms are not always tied to a kitchen serving food. Our brewery in the past offered food from food truck vendors; yet this did not meet the rules of the County LC as a company owned, licensed kitchen was required. Rules event state the protein and carbohydrate ratios of foods served. This is an over-reaching application of rule.

Minors visiting breweries and tasting rooms that offer tours and education about craft brewing are able to broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs. A majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an opportunity to learn about and experience craft brewing at a brewery also provides exposure for potential careers, similar to culinary career opportunities.

Mahalo for your consideration. We urge you to pass this bill.

Thank you for the opportunity to provide testimony in support of HB 2410.

Aloha,

We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

We have cruise ships and tourists from organized tours visiting our brewery. Cruise ship and other tourism visitors are discouraged from visiting brewpubs and taprooms in Hawaii when family members that are minors are not allowed on the premises, even if accompanied by a parent or guardian of legal drinking age.

Breweries and taprooms are not always tied to a kitchen serving food. Our brewery in the past offered food from food truck vendors; yet this did not meet the rules of the County LC as a company owned, licensed kitchen was required. Rules event state the protein and carbohydrate ratios of foods served. This is an over-reaching application of rule.

Minors visiting breweries and tasting rooms that offer tours and education about craft brewing are able to broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs. A majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an opportunity to learn about and experience craft brewing at a brewery also provides exposure for potential careers, similar to culinary career opportunities.

Mahalo for your consideration. We urge you to pass this bill.

Thank you for the opportunity to provide testimony in support of HB 2410.

Aloha,

HB 2410

Relating to Intoxicating Liquor, Brewpubs and Small Craft Producer Pub Licensees

House Committee on CPC: Consumer Protection & Commerce
Friday, Feb 2, 2018 at 2:00 p.m. Conference Room 329

Chair Roy Takumi, Vice Chair Linda Ichiyama, and House Members of the Committee on Consumer Protection and Commerce,

Position: **Support**

My name is Zach Pacheco, I live in Kihei and I work at Maui Brewing Co. with business locations in Lahaina, Kihei, Waikiki and Kailua on Maui and Oahu.

Our brewery began in 2005 with 26 employees. We now have a team of over 550 in Hawaii.

I support HB 2410 because it will help our team and other craft breweries to grow and create jobs in Hawaii.

Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from being together at a brewpub reduces the number of customers visiting our county's brewery tasting rooms. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer. Visitors with families especially are affected as there is no way to accommodate them on their visits. This hurts the local tourism climate for breweries.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

We have cruise ships and tourists from organized tours visiting our brewery. Cruise ship and other tourism visitors are discouraged from visiting brewpubs and taprooms in Hawaii when family members that are minors are not allowed on the premises, even if accompanied by a parent or guardian of legal drinking age.

Breweries and taprooms are not always tied to a kitchen serving food. Our brewery in the past offered food from food truck vendors; yet this did not meet the rules of the County LC as a company owned, licensed kitchen was required. Rules event state the protein and carbohydrate ratios of foods served. This is an over-reaching application of rule.

Minors visiting breweries and tasting rooms that offer tours and education about craft brewing are able to broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs. A majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an opportunity to learn about and experience craft brewing at a brewery also provides exposure for potential careers, similar to culinary career opportunities.

Mahalo for your consideration. We urge you to pass this bill.

Thank you for the opportunity to provide testimony in support of HB 2410.

Aloha,

HB 2410

Relating to Intoxicating Liquor, Brewpubs and Small Craft Producer Pub Licensees

House Committee on CPC: Consumer Protection & Commerce
Friday, Feb 2, 2018 at 2:00 p.m. Conference Room 329

Chair Roy Takumi, Vice Chair Linda Ichiyama, and House Members of the Committee on Consumer Protection and Commerce,

Position: **Support**

My name is CLARISSE SPENCE, I live in KIHEI, Maui and I work at Maui Brewing Co. with business locations in Lahaina, Kihei, Waikiki and Kailua on Maui and Oahu.

Our brewery began in 2005 with 26 employees. We now have a team of over 550 in Hawaii.

I support HB 2410 because it will help our team and other craft breweries to grow and create jobs in Hawaii.

Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from being together at a brewpub reduces the number of customers visiting our county's brewery tasting rooms. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer. Visitors with families especially are affected as there is no way to accommodate them on their visits. This hurts the local tourism climate for breweries.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer. Visitors with families especially are affected as there is no way to accommodate them on their visits. This hurts the local tourism climate for breweries.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

We have cruise ships and tourists from organized tours visiting our brewery. Cruise ship and other tourism visitors are discouraged from visiting brewpubs and taprooms in Hawaii when family members that are minors are not allowed on the premises, even if accompanied by a parent or guardian of legal drinking age.

Breweries and taprooms are not always tied to a kitchen serving food. Our brewery in the past offered food from food truck vendors; yet this did not meet the rules of the County LC as a company owned, licensed kitchen was required. Rules even state the protein and carbohydrate ratios of foods served. This is an over-reaching application of rule.

Minors visiting breweries and tasting rooms that offer tours and education about craft brewing are able to broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs. A majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an opportunity to learn about and experience craft brewing at a brewery also provides exposure for potential careers, similar to culinary career opportunities.

Mahalo for your consideration. We urge you to pass this bill.

Thank you for the opportunity to provide testimony in support of HB 2410.

Aloha,

HB 2410
Relating to Intoxicating Liquor, Brewpubs and Small Craft Producer Pub Licensees

House Committee on CPC: Consumer Protection & Commerce
Friday, Feb 2, 2018 at 2:00 p.m. Conference Room 329

Chair Roy Takumi, Vice Chair Linda Ichiyama, and House Members of the Committee on Consumer Protection and Commerce,

Position: **Support**

My name is ELIZAH CUMY, I live in KIHEI, HI and I work at Maui Brewing Co. with business locations in Lahaina, Kihei, Waikiki and Kailua on Maui and Oahu.

Our brewery began in 2005 with 26 employees. We now have a team of over 550 in Hawaii.

I support HB 2410 because it will help our team and other craft breweries to grow and create jobs in Hawaii.

Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from being together at a brewpub reduces the number of customers visiting our county's brewery tasting rooms. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer. Visitors with families especially are affected as there is no way to accommodate them on their visits. This hurts the local tourism climate for breweries.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

We have cruise ships and tourists from organized tours visiting our brewery. Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from being together at a brewpub reduces the number of customers visiting our county's brewery tasting rooms. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer. Visitors with families especially are affected as there is no way to accommodate them on their visits. This hurts the local tourism climate for breweries.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

We have cruise ships and tourists from organized tours visiting our brewery. Cruise ship and other tourism visitors are discouraged from visiting brewpubs and taprooms in Hawaii when family members that are minors are not allowed on the premises, even if accompanied by a parent or guardian of legal drinking age.

Breweries and taprooms are not always tied to a kitchen serving food. Our brewery in the past offered food from food truck vendors; yet this did not meet the rules of the County LC as a company owned, licensed kitchen was required. Rules event state the protein and carbohydrate ratios of foods served. This is an over-reaching application of rule.

Minors visiting breweries and tasting rooms that offer tours and education about craft brewing are able to broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs. A majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an opportunity to learn about and experience craft brewing at a brewery also provides exposure for potential careers, similar to culinary career opportunities.

Mahalo for your consideration. We urge you to pass this bill.

Thank you for the opportunity to provide testimony in support of HB 2410.

Aloha,

 2/1/2018

HB 2410

Relating to Intoxicating Liquor, Brewpubs and Small Craft Producer Pub Licensees

House Committee on CPC: Consumer Protection & Commerce
Friday, Feb 2, 2018 at 2:00 p.m. Conference Room 329

Chair Roy Takumi, Vice Chair Linda Ichiyama, and House Members of the Committee on Consumer Protection and Commerce,

Position: **Support**

My name is Tom Clark, I live in Kihei and I work at Maui Brewing Co. with business locations in Lahaina, Kihei, Waikiki and Kailua on Maui and Oahu.

Our brewery began in 2005 with 26 employees. We now have a team of over 550 in Hawaii.

I support HB 2410 because it will help our team and other craft breweries to grow and create jobs in Hawaii.

Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from being together at a brewpub reduces the number of customers visiting our county's brewery tasting rooms. Our brewery began in 2005 with 26 employees. We now have a team of over 550 in Hawaii.

I support HB 2410 because it will help our team and other craft breweries to grow and create jobs in Hawaii.

Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from being together at a brewpub reduces the number of customers visiting our county's brewery tasting rooms. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer. Visitors with families especially are affected as there is no way to accommodate them on their visits. This hurts the local tourism climate for breweries.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

We have cruise ships and tourists from organized tours visiting our brewery. Cruise ship and other tourism visitors are discouraged from visiting brewpubs and taprooms in Hawaii when family members that are minors are not allowed on the premises, even if accompanied by a parent or guardian of legal drinking age.

Breweries and taprooms are not always tied to a kitchen serving food. Our brewery in the past offered food from food truck vendors; yet this did not meet the rules of the County LC as a company owned, licensed kitchen was required. Rules event state the protein and carbohydrate ratios of foods served. This is an over-reaching application of rule.

Minors visiting breweries and tasting rooms that offer tours and education about craft brewing are able to broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs. A majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an opportunity to learn about and experience craft brewing at a brewery also provides exposure for potential careers, similar to culinary career opportunities.

Mahalo for your consideration. We urge you to pass this bill.

Thank you for the opportunity to provide testimony in support of HB 2410.

Aloha,

2/1/18

HB 2410

Relating to Intoxicating Liquor, Brewpubs and Small Craft Producer Pub Licensees

House Committee on CPC: Consumer Protection & Commerce

My name is Ashley Benz, I live in Kihei and I work at Maui Brewing Co. with business locations in Lahaina, Kihei, Waikiki and Kailua on Maui and Oahu.

Our brewery began in 2005 with 26 employees. We now have a team of over 550 in Hawaii.

I support HB 2410 because it will help our team and other craft breweries to grow and create jobs in Hawaii.

Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from being together at a brewpub reduces the number of customers visiting our county's brewery tasting rooms. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer. Visitors with families especially are affected as there is no way to accommodate them on their visits. This hurts the local tourism climate for breweries.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

We have cruise ships and tourists from organized tours visiting our brewery. Cruise ship and other tourism visitors are discouraged from visiting brewpubs and taprooms in Hawaii when family members that are minors are not allowed on the premises, even if accompanied by a parent or guardian of legal drinking age.

Breweries and taprooms are not always tied to a kitchen serving food. Our brewery in the past offered food from food truck vendors; yet this did not meet the rules of the County LC as a company owned, licensed kitchen was required. Rules event state the protein and carbohydrate ratios of foods served. This is an over-reaching application of rule.

Minors visiting breweries and tasting rooms that offer tours and education about craft brewing are able to broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs. A majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an opportunity to learn about and experience craft brewing at a brewery also provides exposure for potential careers, similar to culinary career opportunities.

Mahalo for your consideration. We urge you to pass this bill.

Thank you for the opportunity to provide testimony in support of HB 2410.

HB 2410

Relating to Intoxicating Liquor, Brewpubs and Small Craft Producer Pub Licensees

House Committee on CPC: Consumer Protection & Commerce
Friday, Feb 2, 2018 at 2:00 p.m. Conference Room 329

Chair Roy Takumi, Vice Chair Linda Ichiyama, and House Members of the Committee on Consumer Protection and Commerce,

Position: **Support**

My name is Andrew Nelson, I live in Honolulu and I am the Vice President of Maui Brewing Restaurant Group with restaurants in Waikiki, Oahu, Kihei, Maui and Kailua, Oahu (in construction). The restaurants are related to the Maui Brewing Co. brewery, which began in 2005 with only a handful of employees. We now—together with the brewery—provide over 300 jobs in Hawaii.

We support HB 2410 for the following reasons:

Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from being together at a brewpub reduces the number of customers visiting our restaurants and brewery. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

Minors visiting breweries and tasting rooms that offer tours and education about craft brewing are able to broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs. A majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an

opportunity to learn about and experience craft brewing at a brewery also provides exposure for potential careers, similar to culinary career opportunities.

Mahalo for your consideration. We urge you to pass this bill.
Thank you for the opportunity to provide testimony in support of HB 2410.

Respectfully and Sincerely,

Submitted By	Organization	Testifier Position	Present at Hearing
Kari Benes	Individual	Oppose	No

Comments:

Aloha Representatives,

Please oppose HB2410, because its sets irresponsible precedent that it's ok to drag your kids out to the brewery to watch you drink alcohol. This is falsely assuming Hawaii has a pristine driving record where nobody drives after they have been drinking their special craft brews. Who's going to drive the kids home after an evening of brewery hopping? The kids? Plus, breweries these days are brewing things like double and triple IPAs that have alcohol contents exceeding wine. With craft brews coming in as high as 15% alcohol, one beer could easily set someone up for a DUI, or worse yet a crash.

Please do not pass this bill.

Thank you.

HB 2410

Relating to Intoxicating Liquor, Brewpubs and Small Craft Producer Pub Licensees

House Committee on CPC: Consumer Protection & Commerce

Friday, Feb 2, 2018 at 2:00 p.m. Conference Room 329

Chair Roy Takumi, Vice Chair Linda Ichiyama, and House Members of the Committee on Consumer Protection and Commerce,

Position: **Support**

My name is Bill Sumrow, I live in Honolulu, HI and I am the owner of Homebrew in Paradise, Oahu's only Homebrewing Supply Store, and a Founding Partner in Broken Boundary Brewery, LLC., a brewery in planning in the Kalihi Neighborhood of Honolulu, HI. Our brewery is planned to open in Q3/Q4 of 2018 with 6 employees.

Breweries and tap rooms are popular places to meet friends and family. HB2410 allows minors to be part of family friendly gatherings, encouraging responsible drinking. We are part of a growing business sector. Restricting families from being together at a brewpub reduces the number of customers visiting our establishment. Increasing the ability of local residents and visitors to experience Hawaii's breweries expands brand recognition and the market for all Hawaii craft beer.

Some of our counties do not allow minors to be in brewpubs and taprooms if they do not have a licensed kitchen that provides a defined percent of revenue, even if accompanied by a parent or guardian of legal drinking age. We support having less confusing and more consistent policies for the presence of minors in our brewpubs and taprooms, accompanied by a parent or guardian.

Minors visiting breweries and tasting rooms that offer tours and education about craft brewing are able to broaden their thinking about career opportunities, providing a future local resident base of employees for Hawaii craft breweries and pubs. A majority of brewing jobs in the State of Hawaii are filled by applicants from the mainland and abroad. Providing young people with an opportunity to learn about and experience craft brewing at a brewery also provides exposure for potential careers, similar to culinary career opportunities.

Mahalo for your consideration. We urge you to pass this bill.

Thank you for the opportunity to provide testimony in support of HB 2410.

TESTIMONY OF ALAN M ARAKAWA
MAYOR
COUNTY OF MAUI

BEFORE THE HOUSE COMMITTEE ON CONSUMER PROTECTION AND COMMERCE

Friday, February 2, 2018
2:00 pm - Conference Room 329

HB2410 RELATING TO INTOXICATING LIQUOR.

Honorable Roy M. Takumi, Chair
Honorable Linda Ichiyama, Vice Chair
Honorable Members of the House Committee on Consumer Protection and Commerce

Thank you for this opportunity to testify in **SUPPORT** of HB2410

This measure permits brewpub and small craft producer pub licensees to allow minors, who are accompanied by a parent or legal guardian of legal drinking age, on the licensee's premises.

Different Counties are interpreting the current laws differently. The language in this measure will make it clear that minors can accompany their parents at a brewpub restaurant as is allowed on the Big Island and Oahu.

Therefore, I strongly urge the passage of this bill.

Sincerely,

Alan M. Arakawa
Mayor, County of Maui
