HB 751 – MAKING APPROPRIATIONS FOR COLLECTIVE BARGAINING COST ITEMS

Chair Johanson, Vice Chair Holt and members of the Committee on Labor and Public Employment:

Thank you for this opportunity to testify. The University of Hawai'i (UH) **supports** HB 751, Making Appropriations for Collective Bargaining Cost Items. This bill appropriates funds for fiscal biennium 2017-2019 for salary costs for public employees in collective bargaining unit (1) and for certain employees excluded from collective bargaining.

Government employers in the state are in negotiations with bargaining unit (1) for their new contract to begin July 1, 2017. Once the negotiations and the collective bargaining process concludes this bill may be necessary if additional funding is required.

Thank you for your time and consideration.

**TESTIMONY ON HOUSE BILL 751 MAKING APPROPRIATIONS FOR COLLECTIVE
BARGAINING COST ITEMS**

By DAYTON M. NAKANELUA,
State Director of the United Public Workers,
AFSCME Local 646, AFL-CIO ("UPW")

My name is Dayton M. Nakanelua, State Director of the United Public Workers, AFSCME, Local 646, AFL-CIO (UPW). The UPW is the exclusive bargaining representative for approximately 14,000 public employees, which include blue collar, non-supervisory employees in Bargaining Unit 01 and institutional, health and correctional employees in Bargaining Unit 10, in the State of Hawaii and various counties. The UPW also represents about 1,500 members of the private sector.

HB751 makes appropriations for BU-01 collective bargaining cost items. The UPW strongly supports this appropriations measure and asks that the committee pass it.

Thank you for the opportunity to submit this testimony.

Making Appropriations for Collective Bargaining Cost Items.
Appropriates funds for fiscal biennium 2017-2019 for salary costs public employees in collective bargaining unit (1) and for certain employees excluded from collective bargaining.

Linda Rosen, M.D., M.P.H.
Chief Executive Officer
Hawaii Health Systems Corporation

On behalf of the Hawaii Health Systems Corporation (HHSC) Corporate Board of Directors, thank you for the opportunity to present testimony in **support of H.B. 751** that will appropriate funds for fiscal biennium 2017-2019 for salary costs for public employees in collective bargaining unit 1 and for certain employees excluded from collective bargaining.

HHSC values all of its employees in the public sector unions. However, HHSC's financial condition cannot absorb any further collective bargaining pay increases without a corresponding general fund appropriation to pay for those raises. In HHSC's budget briefing testimony for the fiscal biennium 2017-2019, HHSC noted that \$28 million of HHSC's initial general fund appropriation request is due to pay for the cumulative effect of collective bargaining pay raises for the prior fiscal biennium 2014-2016 which were funded through special fund appropriations. For HHSC, a special fund appropriation only allows the hospitals to spend the cash that they generate on paying these types of raises; however, HHSC's hospitals already are not able to generate sufficient cash to pay for all of its operating expenses. This is why HHSC constantly needs a general fund appropriation of between 15-20% of its operating budget just to end each fiscal year with a minimal level of cash on hand. HHSC needs a **general fund appropriation** to pay for the proposed raises; otherwise, it will need an emergency appropriation to pay for these raises in the upcoming Legislative Session.
