The Honorable Henry J.C. Aquino, Chair
and Members of the Committee on Transportation
House of Representatives
State Capitol, Room 423

Honolulu, Hawaii 96813

Dear Chair Aquino and Members of the Committee:

Subject: Testimony on HCR92 and HR76
Relating to the Construction of Crosswalks at
Various Locations on Oahu's North Shore

Kamehameha Highway through Haleiwa Town, is the only location of the five locations listed under HCR92 and HR76, which falls under the jurisdiction of the City and County of Honolulu. The Manual on Uniform Traffic Control Devices, which is approved by the Federal Highway Administrator as the National Standard, clearly states that marked crosswalks should not be used indiscriminately and that an engineering study should be performed before installing a new crosswalk. There are a number of factors which need to be considered such as the number of lanes, pedestrian/vehicular volumes, speed limits, etc. As such, we would consider this request further, and conduct crosswalk warrant studies along Kamehameha Highway through Haleiwa Town, if specific locations are provided.

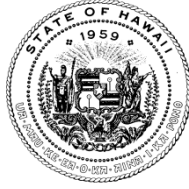

Thank you for the opportunity to testify on HCR92 and HR76.

Very truly yours,

H.C.R. 92 / H.R. 76
URGING THE DEPARTMENT OF TRANSPORTATION AND THE DEPARTMENT OF
TRANSPORTATION SERVICES OF THE CITY AND COUNTY OF HONOLULU TO
CONSTRUCT CROSSWALKS AT VARIOUS LOCATIONS ON OAHU'S NORTH
SHORE.

House Committee on Transportation

The Department of Transportation (DOT) **supports** H.C.R. 92 and H.R. 76 to construct crosswalks at various locations on Oahu's North Shore. However, marked crosswalks should not be used indiscriminately without proper evaluation. The DOT is willing to evaluate the four locations (Laniakea, Laie, Kaaawa, and Hauula) under their jurisdiction; however, to undertake this evaluation, we request that \$80,000 is appropriated for this purpose and that any such appropriation does not replace or adversely impact priorities indicated in our Executive Biennium Budget.

Thank you for the opportunity to provide testimony.
