Comments: I encourage you to support SB 1137. I favor the broadest inclusion of those impacted by any mutual benefit society. Over the years it seems apparent that, in spite of words that support "sunshine" and induction, our society as a whole and Hawai'i legislation and customary practice has moved in the opposite direction. I believe SB 1137 will help to encourage and support broader participation and greater responsibility on those who serve the public to benefit the public first. Thank you for the opportunity to speak on this issue. Sharon Rowe citizen
