House Committee on Transportation

---

The Department of Transportation (DOT) provides the following **comment** for S.B. 2013, S.D.1, relating to civil identification.

Because there will be a need to amend the current Administrative Rule to allow an individual who has a letter from a licensed primary care provider certifying that a severe disability causes the individual to be homebound to renew a state identification card by means other than in person appearance, it is recommended that the effective date be January 1, 2019. This will allow the DOT sufficient time to amend the current rule.

Thank you for the opportunity to provide testimony.
