HEARING BEFORE THE
SENATE COMMITTEE ON WAYS AND MEANS

TESTIMONY ON SB 2073
RELATING TO AGRICULTURE

Room 224
11:00 AM

Aloha Chair Gabbard, Vice Chair Riviere, and Members of the Committee:

I am Randy Cabral, President of the Hawaii Farm Bureau (HFB). Organized since 1948, the HFB is comprised of 1,900 farm family members statewide, and serves as Hawaii's voice of agriculture to protect, advocate and advance the social, economic and educational interests of our diverse agricultural community.

HFB strongly supports SB 2073, which clarifies that the amount appropriated in Act 183, Session Laws of Hawaii 2017, shall be deposited into the food safety certification costs grant program special fund and that the same amount shall be appropriated out of the special fund for fiscal year 2018-2019. This program will provide grants to farmers to assist them in paying for the costs of compliance with the FDA Food Safety Modernization Act and state food safety laws.

HFB appreciates the support by the legislature in our past efforts to help Hawaii's farmers achieve compliance with the FDA Food Safety and Modernization Act. As the actual rule has been rolled out by FDA the immensity of the task is becoming evident.

Foodborne illnesses can be serious, and we should seek ways to reduce the risk. This bill will provide that assistance to our farmers for the costs they will incur to become food safety compliant.

The many criteria associated with FSMA to be compliant should not be an impediment for safe food. Hawaii cannot afford to further lose farmers as we strive to increase local food production. We want to incentivize our farmers' ability to continue their operations and provide Hawaii with abundant safe food.

Hawaii Farm Bureau respectfully requests your **strong support of SB 2073** which will assist farmers with expenses to become compliant with the Food Safety Modernization Act.

Thank you for the opportunity to testify on this measure.
