In Consideration of  
SENATE BILL 2281  
RELATING TO HISTORIC PRESERVATION

Senate Bill 2281 proposes to direct the Department of Land and Natural Resources (Department) to place historical markers in the State to indicate significant sites in the life of President Barack Obama, the forty-fourth President of the United States of America, and appropriate funds to support these activities. **The Department supports this bill, provided that its passage does not replace or adversely impact priorities indicated in the Executive Supplemental Budget request.**

The Department believes that recognition of President Barak Obama's life in Hawaii is important both to memorialize his life in his formative years, as well as to educate and inspire our youth through his example.

Thank you for the opportunity to comment on this measure.

Do not do this. What an insult to native Hawaiians! He's not worth making or wasting more money on.
