S.B. 2684
RELATING TO THE STATEWIDE TRAFFIC CODE

Senate Committee on Transportation and Energy

The Department of Transportation **supports** S.B. 2684 amending section 291C-33 Hawaii Revised Statutes to include pedestrian countdown timers.

This bill will provide consistency with the meaning of the flashing “Hand” or flashing “Don’t Walk” pedestrian signal indications. Clarifying that a pedestrian can finish their crossing when countdown numbers are displayed will reduce pedestrian confusion.

Thank you for the opportunity to provide testimony.
