Re: S.B. 2691, S.D. 1, Relating to Board Meetings

The Department of Taxation (Department) supports S.B. 2691, S.D. 1, and offers the following comments for your consideration.

S.B. 2691, S.D. 1, allows state boards to provide a copy of their meeting notices with the Office of the Lieutenant Governor or the appropriate county clerk's office via electronic mail to an electronic mail address designated by the Office of the Lieutenant Governor or the appropriate county clerk's office. The bill has a defective effective date of July 1, 2035.

The Department notes that it provides administrative support to the Council on Revenues (COR), Tax Review Commission (TRC), and Board of Taxation Review. The electronic filing of meeting notices will promote efficiency.

Thank you for the opportunity to provide testimony in support of this measure.

SB 2691, SD1
RELATING TO BOARD MEETINGS

Honorable Chair Johanson and Members of the House Committee on Labor & Public Employment, thank you for the opportunity to provide testimony concerning Senate Bill 2691, SD1, relating to board meetings.

The Hawaii Public Housing Authority (HPHA) is in **support** of SB 2691, SD1, which allows boards to file a copy of the notice of public meetings with the office of the lieutenant governor or appropriate county clerk's office via electronic mail.

With the advances in technology, it is in the best interest of State departments and agencies to be granted leeway when filing its notice of public meetings with the lieutenant governor. The HPHA supports the opportunity to file notice of public board meetings via electronic mail.

The HPHA appreciates the opportunity to provide the House Committee on Labor & Public Employment with the HPHA's comments regarding SB 2691, SD1. We thank you very much for your dedicated support.

Re: Testimony on S.B. No. 2691, S.D. 1
Relating to Board Meetings

Thank you for the opportunity to submit testimony on this bill, which would allow boards to provide meeting notices via an electronic mail address designated by the Lieutenant Governor or a County Clerk. The Office of Information Practices (“OIP”) takes no position on this bill, which would not substantively change the law as OIP understands it.

OIP has previously opined (in OIP Opinion Letter Number 06-06) that a meeting notice may be filed in whatever manner is set by the Lieutenant Governor’s office or a County Clerk’s office. OIP therefore would interpret the language of the new section 92-7 (effective July 1) as **allowing** a board to provide its notice to one of those offices by e-mail, so long as the office in question has designated an e-mail address as an acceptable way to provide a notice. **This measure would not require those offices to designate an e-mail address to accept notices, but would only allow a board to provide them via an e-mail address designated by the relevant office. Thus, OIP does not see this measure as changing the law,** since it still leaves it up to each County Clerk or

the Lieutenant Governor whether to designate an e-mail address for accepting notices. **OIP has no objection** to this bill, which would clarify this point.

Thank you for the opportunity to testify.

SB 2691 SD1 RELATING TO BOARD MEETINGS.

The Natural Energy Laboratory of Hawaii Authority (NELHA) strongly supports SB 2691 SD 1 which would allow boards to file a copy of the notice of public meetings with the Office of the Lieutenant Governor or appropriate County Clerk's office via electronic mail.

Submitting notice of public meetings with the Office of the Lieutenant Governor via electronic mail will substantially increase efficiency in our agency through cost savings.

Thank you for the opportunity to offer these comments.
