Comments:

A nearly identical measure is included in the HSAC Legislative Package, therefore I offer support of this bill.

Comments:

Aloha PSM Committee,

Mahalo for hearing this item. It is important to the community that Council Members are able to attend public events without fear of violating the Hawaii State Sunshine Law. As a new council member, and as an active resident who often was disappointed not to see multiple council members at public events, I believe this measure is an important move forward in honoring the public desire to interact with our elected officials. I urge the committee to pass this measure.

Thank you very much,

Kelly Takaya King

Member, Maui County Council
