**SUBJECT: Support SB 664**

Aloha Chair Tokuda, Vice Chair Dela Cruz and members of the Senate Committee on Ways and Means. The Hawaii Strategic Highway Safety Plan views this as a positive measure to discourage excessive speeding.

From 2011-2015 Hawaii lost **235** lives in speed related traffic fatalities.

If enforced, this law will deter drivers from driving speeds that put their lives and lives of others in danger.

Thank you for considering SB 664.
