Re: **SB 748 – Relating to Child Care Facilities**
Hawaii State Capitol, Room 211, February 28, 2017, 9:30 AM

On behalf of Hawaii Children's Action Network (HCAN), we are writing to support SB 748 – Relating to Child Care Facilities

HCAN supports the intention to provide safe, regulated childcare. By providing transparency of the inspections through posting them online and a legislative report, the public can make better-informed choices. To post online in a public-friendly manner, the reports need to be searchable and up to date.

For these reasons, HCAN respectfully requests that the committee vote to pass this bill.

HCAN is committed to building a unified voice advocating for Hawaii's children by improving their safety, health, and education. Last fall, HCAN convened input in person and online from more than 50 organizations and individuals that came forward to support or express interest for a number of issues affecting children and families in our state that resulted in the compilation of 2017 Hawai'i Children's Policy Agenda, which can be accessed at <http://www.hawaii-can.org/2017policyagenda>.

Comments: I am a Puna resident and voter. I strongly support SB748 with regards to licensed day care records of complaint being available to the public, and in an annual report to the legislature. It is imperative that parents have the opportunity to find complaints against providers, and decide whether a daycare is suitable for their children. We cannot make the best decisions for our children without this information. Sincerely, Christina Leopold, Puna resident
