Aloha Senator Gabbard and Committee Members,

The Food Safety Modernization Act "FSMA" compliance is a huge burden facing Hawaii farmers. As Hawaii farmers are facing many challenges, FSMA is a huge obstacle for many farmers, their future and food security for Hawaii.

Please support SB 803 as Hawaii needs to increase its food sustainability to meet the Sustainable Hawaii Initiative in 2020.

Mahalo for this opportunity to provide testimony.

The Food Safety Modernization Act has good intentions but can be a financial burden on small farmers to comply.
