Comments:

My name is Oswald K. Stender and I am a resident of Maunawili all of my adult life of 60 years or more years. I am 86 years old and have seen the change in the landscape of Hawaii, and Oahu in particular, over these many years. I am saddened by the abuse of Hawaii by those, and many are freigners, whose sole interests in Hawaii is money. We cannot continue to look the otherway and allow the uniqueness of Hawaii and its cultural heritage to be sold and destroyed. This resolution is an oppotunity to set the stage for all of Hawaii to work together to protect Hawaii's important historic sites, its trails, its rivers, agricultural lands and the ambiance of the valleys of Maunawili for all time. Please lend your strong support for this resolution. Mahalo and aloha. Oz Stender
