REPORT TO THE 2019 LEGISLATURE
ON POSITIONS EXEMPTED FROM THE CIVIL SERVICE

**AS REQUIRED BY ACT 300,
SESSION LAWS OF HAWAII 2006**

Department of Human Resources Development
December 2018

As Required by
Act 300, Session Laws of Hawaii 2006

Submitted by the Department of Human Resources Development
December 26, 2018

SUMMARY OF REPORT

Act 300, Session Laws of Hawaii (SLH) 2006, directs the Department of Human Resources Development (DHRD) to submit reports on exempt positions to the Legislature prior to each regular session.

Inasmuch as the Act establishes an ongoing annual reporting requirement, and in order to provide the Legislature with the most current data available, the period covered by each report will be from November 1 through October 31 of the applicable year. This report complies with the reporting requirements and provides a status report on the efforts to implement Act 300 for the period November 1, 2017 through October 31, 2018.

During the current reporting period, seventeen (17) Act 300 position were replaced with civil service positions. However, thirty-six (36) exempt positions not covered by Act 300 were replaced with civil service positions.

BACKGROUND

Act 300, SLH 2006 was enacted to “comply with Act 253, SLH 2000.” The Act amended a number of statutory provisions that required positions to be exempt from civil service to allow discretion as to whether the positions should be civil service or exempt from civil service, and also directed DHRD and the Hawaii Government Employees Association (HGEA) “to work collaboratively to establish a logical, workable and fair process for converting positions in various departments, which are currently exempt from chapter 76, Hawaii Revised Statutes, to civil service positions.” The Act also granted rights to exempt employees who occupied the affected exempt positions for at least one year, and requires DHRD to submit a report on the conversions of exempt positions to the Legislature prior to each regular session.

DHRD and the HGEA subsequently entered into a Letter of Understanding (LOU) dated March 17, 2011 regarding the identification of positions for conversion. The LOU, whose effective date ended December 31, 2013, sought to significantly increase the number of exempt positions identified for conversion to civil service in all departments of the Executive Branch, and required DHRD to identify exempt positions that may be converted to civil service. DHRD directed significant resources to the LOU in order to conduct a comprehensive review of positions in all departments that are exempt from civil service based on Sections 76-16(b)(12) and (17), Hawaii Revised Statutes. To further facilitate an increase in the number of exempt positions replaced with civil service positions, DHRD revised Policy No. 1000.002, Appointment of Exempt Employees to Replacement Civil Service Positions, effective November 30, 2011. The policy extends the Act 300, SLH 2006 process to all appropriate conversions.

**ANNUAL REPORT ON
THE NUMBER OF EXEMPT POSITIONS REPLACED WITH CIVIL SERVICE
POSITIONS AND THE NUMBER OF EXEMPT POSITIONS REMAINING**

Act 300 requires DHRD to submit an annual report to the legislature that includes the following information:

1. The number of exempt positions that were converted to civil service during the previous twelve months; and
2. The number of exempt positions remaining in each State department after the conversions.

For the exempt positions that were converted to civil service, the report must also indicate:

1. When the position was established;
2. The purpose of the position; and
3. The rationale for the conversion.

Fifty-three (53) exempt positions were replaced with civil service positions within the period November 1, 2017 to October 31, 2018. Thirty-six (36) exempt positions are not covered by Act 300.

As of November 1, 2018, 3,005 exempt positions remain. Aloha Stadium event positions (957), Student Helper and Student Intern positions (810), and Work Experience positions (2,191) are not included in the number of exempt positions remaining since such positions are not appropriate for conversion to civil service.

- Attachment 1 reflects, by department, the exempt positions that were replaced with civil service positions within the reporting period. Forty-two (42) positions were exempted under the provisions of Section 76-16 (b)(12), project; ten (10) positions were exempted under Section 76-16(b)(17), other law/statute; and one position was exempted under 76-16(b)(3), consent decree.
- Attachment 2 provides a summary of the number of exempt positions that were replaced with civil service positions in each department.
- Attachment 3 provides the number of exempt positions remaining within each department, as of November 1, 2018, broken down by the statutory basis for exemption.

- Attachment 4 reflects, by department, the exempt position that was identified for conversion to civil service; however, the incumbent elected to remain exempt pursuant to the applicable Policy No. 1000.002. The position will be converted to civil service when the incumbent vacates this position.

DATED: Honolulu, Hawaii, December 26, 2018

Respectfully submitted,

Ryker J. Wada
