Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

This is to inform you that on June 25, 2019, the following bill was signed into law:

SB1025 SD1 HD2

RELATING TO THE KUPUNA CAREGIVERS
PROGRAM
ACT 126 (19)

Sincerely,

DAVID Y. IGE
Governor, State of Hawai'i

A BILL FOR AN ACT

RELATING TO THE KUPUNA CAREGIVERS PROGRAM.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that in 2017, 17.8 per
2 cent of Hawaii's population was sixty-five years or older, and
3 with projections of an increase to 19.4 per cent by 2020 and 23
4 per cent by 2030, caring for Hawaii's kupuna is a high priority
5 of the legislature.

6 The legislature finds that currently there are 154,000
7 unpaid family caregivers in Hawaii who are taking care of their
8 parents, spouse, or other relatives who need extra care. Family
9 caregivers play a crucial role in the State's health care system
10 by providing long-term care to the elderly, all unpaid.
11 However, it is imperative to ensure that the caregivers take
12 care of themselves and have the necessary support and services
13 to sustain their own health as well as the health of the family
14 member for whom they are caring.

15 To address this issue, the kupuna caregivers program was
16 established on July 6, 2017, and aims to provide working
17 caregivers with additional resources to cover a variety of

1 support services such as adult day care, assisted
2 transportation, homemaker services, and many more important
3 services to qualified kupuna. The program ensures that
4 caregivers continue earning their own retirement benefits, which
5 helps businesses retain experienced workers and provides peace
6 of mind that loved kupuna are well cared for while caregivers
7 remain in the workforce. This program allows caregivers who are
8 juggling their own employment with their caregiving
9 responsibilities to simultaneously take care of their kupuna and
10 themselves.

11 Since the establishment of the kupuna caregivers program,
12 the executive office on aging has reportedly received hundreds
13 of calls from Hawaii residents wishing to receive the benefits
14 of the program. While the creation of the program was an
15 important first step, the legislature believes that the program
16 requires additional third year funding to have the impact it
17 needs. With the high volume of residents showing interest in
18 the program, the current funding needs to be increased in order
19 to better serve the people of Hawaii.

1 The purpose of this Act is to:

- 2 (1) Require the executive office on aging to include in
3 its annual report to the legislature a section
4 detailing outcomes of the kupuna caregivers program;
- 5 (2) Require the executive office on aging to develop and
6 implement a plan to maximize the number of caregivers
7 served by the program;
- 8 (3) Include additional services to be provided by the
9 kupuna caregivers program; and
- 10 (4) Appropriate funds for the implementation of the kupuna
11 caregivers program.

12 SECTION 2. Section 349-5, Hawaii Revised Statutes, is
13 amended by amending subsection (b) to read as follows:

14 "(b) The planning and administrative services division
15 shall engage in the following activities, including but not
16 limited to:

- 17 (1) Preparation and submission of programs and budgets;
- 18 (2) Preparation of an annual evaluation report on elder
19 programs for the governor and legislature[+], which
20 shall include a section detailing outcomes of the

- 1 kupuna caregivers program, including but not limited
2 to:
- 3 (A) Evaluation metrics;
4 (B) A cost breakdown and de-identified, aggregated
5 analysis of individuals served, by county and
6 type of service received;
7 (C) Identification of the number of service providers
8 contracted by county and the types of services
9 provided;
10 (D) Consolidated data of the existing waiting list
11 broken down by county; and
12 (E) Recommendations to support the implementation and
13 execution of the program to maximize the number
14 of caregivers served by the program;
- 15 (3) Preparation of studies and analysis;
16 (4) Maintenance of personnel records;
17 (5) Management of contracts and agreements entered into by
18 the executive office on aging with public and private
19 vendors, consultants, and suppliers;

- 1 (6) Monitoring the purchase of service agreements with
- 2 public and private agencies and rendering technical
- 3 assistance to elder program service providers; and
- 4 (7) Establishment and maintenance of reimbursement systems
- 5 for services provided by agreement with federal,
- 6 state, and county agencies, as well as private
- 7 groups."

8 SECTION 3. Section 349-18, Hawaii Revised Statutes, is
 9 amended by amending subsections (b) and (c) to read as follows:

10 "(b) The program shall be coordinated and administered by
 11 the executive office on aging and implemented through the area
 12 agency on aging. The executive office on aging shall develop
 13 and implement a plan to maximize the number of caregivers served
 14 by the program.

15 (c) The kupuna caregivers program shall award an
 16 allocation of funds, subject to the availability of funding and
 17 up to a maximum of [~~\$70~~] \$210 per [~~day~~] week, to cover costs
 18 for [~~the following~~] services that would otherwise be performed
 19 by the qualified caregiver for the care recipient [~~+~~], including
 20 but not limited to:

- 21 (1) Care coordination or case management;

- 1 [~~(1)~~] (2) Adult day care;
- 2 [~~(2)~~] (3) Assisted transportation;
- 3 [~~(3)~~] (4) Chores;

- 8 [~~(8)~~] (9) Transportation;

9 provided that the allocated funds shall be issued directly to
10 the service provider upon request and receipt of an invoice for
11 services rendered."

12 SECTION 4. The executive office on aging shall submit a
13 copy of the kupuna caregivers program plan, as required by
14 section 349-18(b), Hawaii Revised Statutes, to the legislature
15 no later than twenty days prior to the convening of the regular
16 session of 2020. In addition to the plan, the executive office
17 on aging may adopt administrative rules to implement and
18 administer the kupuna caregivers program.

19 SECTION 5. There is appropriated out of the general
20 revenues of the State of Hawaii the sum of \$1,500,000 or so much

1 thereof as may be necessary for fiscal year 2019-2020 for proper
2 implementation of the kupuna caregivers program.

3 The sums appropriated shall be expended by the executive
4 office on aging for the purposes of this Act.

5 SECTION 6. Statutory material to be repealed is bracketed
6 and stricken. New statutory material is underscored.

7 SECTION 7. This Act shall take effect on July 1, 2019.
