and Members of the Senate
Thirtieth State Legislature
State Capitol, Room 409
Honolulu, Hawai'i 96813

The Honorable Scott K. Saiki,
Speaker and Members of the
House of Representatives
Thirtieth State Legislature
State Capitol, Room 431
Honolulu, Hawai'i 96813

Dear President Kouchi, Speaker Saiki, and Members of the Legislature:

This is to inform you that on July 2, 2019, the following bill was signed into law:

HB531 HD1 SD1

RELATING TO ENTERPRISE TECHNOLOGY
SERVICES.
ACT 238 (19)

Sincerely,

DAVID Y. IGE
Governor, State of Hawai'i

A BILL FOR AN ACT

RELATING TO ENTERPRISE TECHNOLOGY SERVICES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that periodic updates to
2 the state information technology strategic plan are vital both
3 to stay current with constantly evolving technology and to fully
4 maximize available modern resources for increased effectiveness,
5 efficiency, and transparency in state government. The
6 legislature also finds that regularly updating the state
7 information technology strategic plan will promote continuity of
8 services irrespective of the State's governing administration.

9 The purpose of this Act is to require the chief information
10 officer of the office of enterprise technology services to
11 update the state information technology strategic plan every
12 four years and to submit the updated plan to the governor and
13 the legislature.

14 SECTION 2. Section 27-43, Hawaii Revised Statutes, is
15 amended to read as follows:

16 "§27-43 Office of enterprise technology services; chief
17 information officer; information technology steering committee;

1 **establishment; responsibilities.** (a) There is established
2 within the department of accounting and general services the
3 office of enterprise technology services, which shall be headed
4 by a full-time chief information officer to organize, manage,
5 and oversee statewide information technology governance. The
6 chief information officer shall be appointed by the governor as
7 provided in section 26-34. The chief information officer shall
8 report directly to the governor and [~~in conjunction with the~~
9 ~~information technology steering committee,~~] shall:

- 10 (1) Develop, implement, and manage statewide information
11 technology governance;
- 12 (2) Develop, implement, and manage the state information
13 technology strategic plans;
- 14 (3) Develop and implement statewide technology standards;
- 15 (4) Work with each executive branch department and agency
16 to develop and maintain its respective multi-year
17 information technology strategic and tactical plans
18 and road maps that are part of the State's overall
19 information technology strategic plans, road maps, and
20 directions;

- 1 (5) Coordinate each executive branch department and
2 agency's information technology budget request,
3 forecast, and procurement purchase to ensure
4 compliance with the department or agency's strategic
5 plan and road map and with the office of enterprise
6 technology services' information technology governance
7 processes and enterprise architecture policies and
8 standards, including policies and standards for
9 systems, services, hardware, software, and security
10 management;
- 11 (6) Report annually to the governor and the legislature on
12 the status and implementation of the state information
13 technology strategic plan;
- 14 (7) Update the state information technology strategic plan
15 every four years;
- 16 [~~7~~] (8) Perform other necessary or desirable functions to
17 facilitate the intent of this section;
- 18 [~~8~~] (9) Employ persons exempt from chapters 76 and 89;
- 19 [~~9~~] (10) Provide centralized computer information
20 management and processing services, coordination in
21 the use of all information processing equipment,

1 software, facilities, and services in the executive
2 branch of the State, and consultation and support
3 services in the use of information processing and
4 management technologies to improve the efficiency,
5 effectiveness, and productivity of state government
6 programs;

7 ~~[(10)]~~ (11) Establish, coordinate, and manage a program to
8 provide a means for public access to public
9 information and develop and operate an information
10 network in conjunction with overall plans for
11 establishing a communication backbone for state
12 government; and

13 ~~[(11)]~~ (12) Adopt rules, pursuant to chapter 91, necessary
14 for the purposes of this part.

15 (b) There is established an information technology
16 steering committee to assist the chief information officer in
17 developing the State's information technology standards and
18 policies, including but not limited to:

19 (1) Assisting the chief information officer in developing
20 and implementing the state information technology
21 strategic plans;

- 1 (2) Assessing executive branch departments' progress in
2 meeting the objectives defined in the state
3 information technology strategic plans and identifying
4 best practices for shared or consolidated services;
- 5 (3) Ensuring technology projects are selected based on
6 their potential impact and risk to the State, as well
7 as their strategic value;
- 8 (4) Ensuring that executive branch departments maintain
9 sufficient tools to assess the value and benefits of
10 technology initiatives;
- 11 (5) Assisting the chief information officer in developing
12 state information technology standards and policies;
13 and
- 14 (6) Clarifying the roles, responsibilities, and authority
15 of the office of enterprise technology services,
16 specifically as it relates to its statewide duties.

17 The information technology steering committee shall consist
18 of eleven members, with four members to be appointed by the
19 senate president, four members to be appointed by the speaker of
20 the house of representatives, one member to be appointed by the
21 chief justice, and one member to be appointed by the governor,

1 and shall include representatives from executive branch
2 departments, including large user agencies such as the
3 department of education and the University of Hawaii; the
4 judiciary; the legislature; and private individuals. The chief
5 information officer shall serve as the chair of the committee
6 and shall ensure that the committee is evaluated periodically.

7 (c) There is established within the department of
8 accounting and general services a special fund to be known as
9 the shared services technology special fund to be administered
10 and expended by the chief information officer for the purposes
11 of this subsection. Three per cent of the receipts collected
12 from special funds pursuant to section 36-27 shall be deposited
13 into the shared services technology special fund. Any law to
14 the contrary notwithstanding, the moneys in the fund shall be
15 used to fund the operations of the chief information officer and
16 the information technology steering committee, including the
17 employment and training of staff and any other activities deemed
18 necessary by the chief information officer to carry out the
19 purposes of this section.

20 (d) The chief information officer and the comptroller may
21 raise funds to defray administrative costs and may accept

1 donations of money and personal property on behalf of the
2 information technology steering committee; provided that all
3 donations accepted from private sources shall be expended in the
4 manner prescribed by the contributor, and all moneys received
5 shall be deposited into the information technology trust
6 account. The chief information officer may also directly
7 receive donated personal services and personal property for
8 which funding is not required.

9 (e) The chief information officer shall submit an annual
10 report to the governor and the legislature no later than twenty
11 days prior to the convening of each regular session of the
12 legislature on the activities and programs under the authority
13 of the chief information officer and the information technology
14 steering committee, and the expenditures of all moneys received
15 from all sources and deposited into the information technology
16 trust account and the shared services technology special fund.

17 (f) The chief information officer shall submit the updated
18 state information technology strategic plan, revised pursuant to
19 subsection (a) (7), to the governor and the legislature no later
20 than twenty days prior to the convening of every fourth regular
21 session of the legislature; provided that the chief information

1 officer shall submit the first updated state information
2 technology strategic plan to the governor and the legislature no
3 later than twenty days prior to the convening of the regular
4 session of 2021."

5 SECTION 3. Statutory material to be repealed is bracketed
6 and stricken. New statutory material is underscored.

7 SECTION 4. This Act shall take effect upon its approval.
