
A BILL FOR AN ACT

RELATING TO INTIMATE PARTNER VIOLENCE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that intimate partner
2 violence is prevalent in every community and affects people
3 regardless of age, socioeconomic status, sexual orientation,
4 gender, race, religion, or nationality. Intimate partner
5 violence can result in long-lasting consequences, including
6 physical injury, psychological trauma, or even death. According
7 to the federal Centers for Disease Control and Prevention, more
8 than one in three women and more than one in four men in the
9 United States have experienced rape, physical violence, or
10 stalking by an intimate partner in their lifetime.

11 The legislature further finds that professionals in the
12 grooming and beauty industry, such as barbers, hairdressers,
13 estheticians, and nail technicians, often enjoy close
14 relationships with their clients. These relationships may last
15 years or decades and can put a grooming or beauty professional
16 in the unique position to identify a potentially concerning
17 situation.

1 The legislature additionally finds that requiring
 2 individual licensees under the board of barbering and
 3 cosmetology to complete intimate partner violence awareness and
 4 education training may help to decrease intimate partner
 5 violence by making more individuals aware of the problem and
 6 offering victims an additional place to turn for help.

7 Accordingly, the purpose of this Act is to require barber,
 8 beauty operator, and instructor licensees under the board of
 9 barbering and cosmetology to complete a one-time, one-hour
 10 training program on intimate partner violence awareness and
 11 education.

12 SECTION 2. Chapter 438, Hawaii Revised Statutes, is
 13 amended by adding a new section to be appropriately designated
 14 and to read as follows:

15 "§438- Intimate partner violence; awareness and
 16 education; hold harmless. (a) All persons licensed as a barber
 17 pursuant to this chapter shall complete a one-time, one-hour
 18 training program on intimate partner violence awareness and
 19 education. The training program shall enable barber licensees
 20 to recognize signs of intimate partner violence and provide
 21 licensees with resources to address intimate partner violence,

1 such as referrals to appropriate social services or domestic
2 violence organizations. The training program may be
3 administered electronically.

4 (b) All persons applying for licensure as a barber
5 pursuant to this chapter shall complete the training program and
6 submit evidence of completion along with the application
7 requirements under section 438-7.

8 (c) All persons holding a valid barber license pursuant to
9 this chapter as of the effective date of this section shall
10 complete the training program and submit evidence of completion
11 along with license renewal requirements specified under section
12 438-12.

13 (d) The department shall develop the intimate partner
14 violence awareness and education training program required by
15 this section and section 439- in coordination with a domestic
16 violence intervention program.

17 (e) A person licensed as a barber pursuant to this chapter
18 who completes the training program shall not be civilly or
19 criminally liable for acting in good faith or failing to act on
20 information concerning potential intimate partner violence
21 obtained during the course of employment."

1 SECTION 3. Chapter 439, Hawaii Revised Statutes, is
2 amended by adding a new section to be appropriately designated
3 and to read as follows:

4 "§439- Intimate partner violence; awareness and
5 education; hold harmless. (a) All persons licensed as a beauty
6 operator or instructor pursuant to this chapter shall complete a
7 one-time, one-hour training program on intimate partner violence
8 awareness and education. The training program shall enable
9 beauty operator or instructor licensees to recognize signs of
10 intimate partner violence and provide licensees with resources
11 to address intimate partner violence, such as referrals to
12 appropriate social services or domestic violence organizations.
13 The training program may be administered electronically.

14 (b) All persons applying for licensure as a beauty
15 operator or instructor pursuant to this chapter shall complete
16 the training program and submit evidence of completion along
17 with the application requirements under section 439-11.

18 (c) All persons holding a valid beauty operator or
19 instructor license pursuant to this chapter as of the effective
20 date of this section shall complete the training program and

1 submit evidence of completion along with license renewal
2 requirements specified under section 439-15.

3 (d) A person licensed as a beauty operator or instructor
4 pursuant to this chapter who completes the training program
5 shall not be civilly or criminally liable for acting in good
6 faith or failing to act on information concerning potential
7 intimate partner violence obtained during the course of
8 employment."

9 SECTION 4. New statutory material is underscored.

10 SECTION 5. This Act shall take effect on July 1, 3000.
