
A BILL FOR AN ACT

RELATING TO ELECTRIC GUNS.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that electric guns
2 provide law enforcement officers a viable alternative to
3 escalation to the use of deadly force when dealing with non-
4 compliant, combative suspects. Electric guns reduce the risk of
5 serious injury or death by providing a less-than-lethal means of
6 exerting force when necessary.

7 Existing state laws authorize certain law enforcement
8 officers, including police officers, sheriffs, conservation and
9 resources enforcement officers of the department of land and
10 natural resources, and members of the army and air national
11 guard to use electric guns, but exclude enforcement officers at
12 state commercial harbors, also known as harbor police. Harbor
13 police officers are appointed by the director of transportation
14 to execute warrants, arrest offenders, and serve notices and
15 orders, are authorized to carry firearms, and should also have
16 access to electric guns when performing their duties.

1 The purpose of this Act is to authorize law enforcement
2 officers of the department of transportation to use electric
3 guns while performing their duties.

4 SECTION 2. Section 134-16, Hawaii Revised Statutes, is
5 amended to read as follows:

11 (b) Any electric gun possessed, offered for sale, held for
12 sale, sold, given, lent, or delivered in violation of subsection
