
A BILL FOR AN ACT

RELATING TO VISITOR INFORMATION.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature recognizes that tourism is the
2 State's leading industry. According to the department of
3 business, economic development, and tourism, the primary source
4 of income for Hawaii is the visitor sector, which spreads itself
5 over several industries such as service, transportation, and
6 retail trade. The legislature finds that the Capitol district
7 located in Honolulu is a historical, cultural, educational, and
8 recreational hub for visitors and residents.

9 Each year, the Capitol district draws many visitors to see
10 and experience the historical sites and attractions in the area,
11 including the State Capitol, Iolani Palace, Washington Place,
12 Honolulu Hale, Kawaiaha'o church, Hawaii state art museum, Queen
13 Lili'uokalani statue, and Father Damien statue, among others.

14 The legislature finds that a visitor information center
15 located in the State Capitol would serve as a reliable and
16 informative resource for informing and educating visitors about
17 local areas and attractions, lodging, maps, transportation

1 routes, and other services; promoting the State's tourist
2 attractions, services, and products; and serving as an effective
3 community information service to residents.
