
A BILL FOR AN ACT

RELATING TO EARLY LEARNING.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The executive office on early learning,
2 established by Act 178, Session Laws of Hawaii 2012, has a
3 mission of coordinating efforts to help ensure a solid
4 foundation for Hawaii's young children, prenatal to age five.
5 The office works with partners, families, and communities, and
6 connects policies, programs, and funding in relation to health,
7 safety, early childhood education, and school readiness and
8 success.

9 The legislature finds that the executive office on early
10 learning needs computer equipment and software, as well as
11 phones and phone lines, to support the work of its staff and to
12 fulfill the office's statutory responsibilities for coordination
13 across public and private sectors. The executive office on
14 early learning also needs furniture as the office is moving to a
15 new location at a school.

1 The purpose of this Act is to appropriate funds to the
2 executive office on early learning for additional operational
3 costs, including equipment and furniture.

4 SECTION 2. There is appropriated out of the general
5 revenues of the State of Hawaii the sum of \$20,128 or so much
6 thereof as may be necessary for fiscal year 2019-2020 and the
7 sum of \$528 or so much thereof as may be necessary for fiscal
8 year 2020-2021 for the executive office on early learning to
9 fund additional operational costs, including equipment and
10 furniture, which shall be allocated as follows:

- 11 (1) \$8,200 for fiscal year 2019-2020 for computer
12 equipment;
- 13 (2) \$3,928 for fiscal year 2019-2020 and \$528 for fiscal
14 year 2020-2021 for phones and phone lines; and
- 15 (3) \$8,000 for fiscal year 2019-2020 for furniture.

16 The sums appropriated shall be expended by the executive
17 office on early learning for the purposes of this Act.

18 SECTION 3. This Act shall take effect on July 1, 2050.
