# A BILL FOR AN ACT

RELATING TO GOVERNMENT PUBLICATIONS.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:**

1           SECTION 1. Due to changes in technology and how the public  
2 accesses information, demand for reports produced by state and  
3 county agencies in paper form has decreased.

4           The purpose of this Act is to reduce the burden on state  
5 and county agencies to produce paper copies of reports and  
6 ensure that the state publications distribution center receives  
7 the report in an electronic format. Receipt of these reports in  
8 an electronic format prescribed by the state librarian will  
9 ensure that the Hawaii state public library system will be able  
10 to provide the public access to the report anywhere in the  
11 statewide public library system.

12           SECTION 2. Section 93-3, Hawaii Revised Statutes, is  
13 amended to read as follows:

14           "§93-3 Deposit of publications. Upon release of a  
15 publication, every state and county agency shall immediately  
16 deposit [~~seven~~] two copies with the state publications  
17 distribution center and one copy with the University of Hawaii.

# H.B. NO. 901

**Report Title:**

Government Publications; Electronic Documents

**Description:**

Reduces the number of paper copies of government publications required to be deposited with the State Publications Distribution Center. Requires state and county agencies to deposit an electronic copy with the State Publications Distribution Center in a format as prescribed by the State Librarian.
