
A BILL FOR AN ACT

RELATING TO DEPARTMENT OF DEFENSE FACILITIES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. By establishing its facilities and presence
2 within communities throughout the State, it is the intent of the
3 State that the department of defense serve and be an integral
4 part of the community. To that end, it is the policy of the
5 legislature to lend out department of defense facilities in
6 accordance with Hawaii Revised Statutes and department of
7 defense requirements, on a non-interference basis, for temporary
8 public use and rental by organizations such as civic and
9 veterans groups, and nonprofit entities within the community.
10 The rental moneys collected are intended to cover the costs of
11 utilities, including water, sewer, and electricity, any
12 supplies, including soap, paper towels, and toilet paper, all
13 related state personnel or staffing costs necessary to open,
14 close, clean, maintain, or repair the facility, and the wear-
15 and-tear on the facility associated with the use of the
16 facility. However, in accordance with section 121-19, Hawaii
17 Revised Statutes, all moneys received from the rentals shall be

1 deposited into the general fund of the State, with required
2 amounts returned to the office of Hawaiian affairs in accordance
3 with Act 178, Session Laws of Hawaii 2006. This situation
4 requires the department of defense to utilize operating funds to
5 cover the costs of utilities, supplies, and personnel for the
6 temporary public use of its facilities by the community.

7 The purpose of this Act is to clarify that the department
8 of defense may continue its community involvement by lending out
9 its facilities without incurring a loss to its operating budget,
10 clarify that the department of defense may retain revenues
11 collected to cover the cost of utilities, supplies, personnel,
12 and wear-and-tear associated with the lending out of its
13 facilities, and clarify that any net proceeds collected
14 associated with the lending out of its facilities will be
15 returned to the general fund, with required amounts returned to
16 the office of Hawaiian affairs.

18 amended to read as follows:
