
A BILL FOR AN ACT

RELATING TO LAND DEVELOPMENT.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1 SECTION 1. The legislature finds that in January 2016, the
2 Hawaii county planning director and the chairperson of the board
3 of land and natural resources signed a statement of
4 understanding to enter into a collaborative process for the
5 redevelopment of the Banyan Drive peninsula because it consisted
6 of real property that was underutilized or in disrepair.
7 Pursuant to chapter 53, Hawaii Revised Statutes, the county of
8 Hawaii created a local redevelopment agency, the Banyan Drive
9 Hawaii redevelopment agency, to work toward improving the Banyan
10 Drive redevelopment area, as defined by the Hawaii county
11 council, through a coordinated revitalization effort via the
12 adoption and implementation of a master urban redevelopment
13 plan. A conceptual master plan for redevelopment of the Banyan
14 Drive redevelopment area was developed between May and October
15 of 2016, and established a starting place for the formation of
16 the redevelopment plan. However, in order for the redevelopment
17 plan to be further developed, funding is needed to conduct the

1 necessary environmental impact studies and other studies
2 required pursuant to chapter 343, Hawaii Revised Statutes.

3 The purpose of this Act is to:

4 (1) Require the department of land and natural resources
5 to allocate a percentage of the revenues collected
6 from commercial properties within the Banyan Drive
7 redevelopment area to the Banyan Drive Hawaii
8 redevelopment agency; and

9 (2) Appropriate funds to the Banyan Drive Hawaii
10 redevelopment agency for conducting environmental
11 impact statements and other studies that are necessary
12 to complete the agency's redevelopment plan for the
13 Banyan Drive redevelopment area.

14 SECTION 2. Notwithstanding any law to the contrary, the
15 department of land and natural resources shall allocate
16 per cent of the revenues collected each year in rents for
17 leases, licenses, and permits from any commercial property
18 within the Banyan Drive redevelopment area, as defined by the
19 Hawaii county council, to the Banyan Drive Hawaii redevelopment
20 agency within the county of Hawaii.

1 SECTION 3. There is appropriated out of the general
2 revenues of the State of Hawaii the sum of \$ or so much
3 thereof as may be necessary for fiscal year 2019-2020 and the
4 same sum or so much thereof as may be necessary for fiscal year
5 2020-2021 for the Banyan Drive Hawaii redevelopment agency
6 within the county of Hawaii to conduct environmental impact
7 studies or other studies as required for the agency's
8 redevelopment plan for the Banyan Drive redevelopment area;
9 provided that the studies shall include but not be limited to
10 the following:

- 11 (1) A cultural impact assessment;
- 12 (2) An archaeological inventory survey;
- 13 (3) An infrastructure capacity study;
- 14 (4) A socioeconomic study;
- 15 (5) Water, soil, floral, and faunal studies;
- 16 (6) Exploration of alternative scenarios; and
- 17 (7) Multiple stakeholder consultations and engagement;

18 provided further that no funds shall be made available under
19 this Act unless the county of Hawaii provides matching funds of
20 \$ through its county budget for fiscal year 2019-2020

1 and \$ for fiscal year 2020-2021 for the purpose for
2 which the appropriations are made.

3 The sums appropriated shall be expended by the department
4 of land and natural resources for the purposes of this Act.

5 SECTION 4. This Act shall take effect on July 1, 2050.

Report Title:

Banyan Drive Hawaii Redevelopment Agency; Environmental Impact Studies; DLNR; Appropriation
