SENATE CONCURRENT RESOLUTION

REQUESTING THE DEPARTMENT OF LABOR AND INDUSTRIAL RELATIONS, IN
COLLABORATION WITH THE DEPARTMENT OF AGRICULTURE, TO SUBMIT
A REPORT DETERMINING A LIVING WAGE STANDARD FOR
AGRICULTURAL WORKERS LIVING IN THE STATE.

1 WHEREAS, "living wage" is defined as a wage sufficient to
2 provide the necessities and comforts essential to an acceptable
3 standard of living; and

4
5 WHEREAS, agricultural workers employed in the State earn
6 wages less than other states and their wages are below living
7 wage standards; and

8
9 WHEREAS, according to the Massachusetts Institute of
10 Technology, an hourly wage of \$15.73 is considered livable in
11 the State of Hawai'i; and

12
13 WHEREAS, the shortage of agricultural workers has posed a
14 significant challenge to Governor David Ige's Sustainable Hawai'i
15 Initiative, which plans on doubling local food production by
16 2020 and additionally, in the long term, to locally produce
17 twenty percent of food by 2050 under the 2050 Sustainability
18 Plan; and

19
20 WHEREAS, increasing the wages earned by agricultural
21 workers will incentivize individuals to pursue an occupation in
22 the agricultural workforce; and

23
24 WHEREAS, competitive wages in the agriculture sector will
25 contribute in the retention of skilled individuals employed in
26 the agricultural workforce; now, therefore,

1 BE IT RESOLVED by the Senate of the Thirtieth Legislature
2 of the State of Hawai'i, Regular Session of 2019, the House of
3 Representatives concurring, that the Department of Labor and
4 Industrial Relations, in collaboration with the Department of
5 Agriculture, is requested to submit to the Legislature a report
6 determining a living wage standard for agricultural workers
7 living in the State; and
8

9 BE IT FURTHER RESOLVED that the report include, but not be
10 limited to, the following:
11

- 12 (1) A breakdown of the average living wage for each
13 county;
- 14
15 (2) The living wage for each county adjusted for employer-
16 provided housing, health insurance, transportation,
17 and meals, as applicable;
- 18
19 (3) A breakdown of the average living expenses for an
20 agricultural worker living in each county;
- 21
22 (4) The current median wage earned by agricultural workers
23 in the State;
- 24
25 (5) Annual data of local food production in the State
26 since 2000; and
27
28 (6) Annual data of agricultural workers employed in the
29 State since 2000; and
30

31 BE IT FURTHER RESOLVED that the Department of Labor and
32 Industrial Relations, in collaboration with the Department of
33 Agriculture, is requested to submit the report to the
34 Legislature no later than twenty days prior to the convening of
35 the Regular Session of 2020; and

S.C.R. NO. 134

1 BE IT FURTHER RESOLVED that certified copies of this
 2 Concurrent Resolution be transmitted to the Governor, Director
 3 of Labor and Industrial Relations, and Chairperson of the Board
 4 of Agriculture.
