

STAND. COM. REP. NO.

1220

Honolulu, Hawaii

MAR 15 2019

RE: H.B. No. 1068
H.D. 1
S.D. 1

Honorable Ronald D. Kouchi
President of the Senate
Thirtieth State Legislature
Regular Session of 2019
State of Hawaii

Sir:

Your Committee on Water and Land, to which was referred H.B. No. 1068, H.D. 1, entitled:

"A BILL FOR AN ACT RELATING TO HEEIA STATE PARK,"

begs leave to report as follows:

The purpose and intent of this measure is to make an appropriation for a Heeia State Park community-based long-range plan and education center for the Heeia National Estuarine Research Reserve System.

Your Committee received testimony in support of this measure from the Hawai'i Institute of Marine Biology, Aha Moku Advisory Committee, He'eia National Estuarine Research Reserve, The Nature Conservancy Hawai'i, Ko'olaupoko Hawaiian Civic Club, and Ko'olau Foundation. Your Committee received testimony in opposition to this measure from the Center for Hawaiian Sovereignty Studies. Your Committee received comments on this measure from the Department of Land and Natural Resources.

Your Committee finds that the Heeia National Estuarine Research Reserve (HeNERR) is one of twenty-nine protected areas within the National Estuarine Research Reserve System. The HeNERR, which includes Heeia State Park, Heeia fishpond, and the Heeia community development district, as well as marine waters with patch and fringing reefs and Moku o Loe (Coconut Island),

requires development of a community-based long-range plan for Heeia State Park to bring the activities in Heeia State Park into alignment with the community's interests, and to plan an education center that will help fulfill the mission of the state-federal partnership.

Your Committee has amended this measure by:

- (1) Clarifying that the appropriation is for the planning and design of an education center; and
- (2) Making technical, nonsubstantive amendments for the purposes of clarity and consistency.

As affirmed by the record of votes of the members of your Committee on Water and Land that is attached to this report, your Committee is in accord with the intent and purpose of H.B. No. 1068, H.D. 1, as amended herein, and recommends that it pass Second Reading in the form attached hereto as H.B. No. 1068, H.D. 1, S.D. 1, and be referred to your Committee on Ways and Means.

Respectfully submitted on
behalf of the members of the
Committee on Water and Land,

KAIARAHĪ KAPELE, Chair

The Senate
Thirtieth Legislature
State of Hawai'i
