RE: H.B. No. 531

H.D. 1

Honorable Ronald D. Kouchi  
President of the Senate  
Thirtieth State Legislature  
Regular Session of 2019  
State of Hawaii

Sir:

Your Committee on Technology, to which was referred H.B. No. 531, H.D. 1, entitled:

"A BILL FOR AN ACT RELATING TO ENTERPRISE TECHNOLOGY SERVICES,"

begs leave to report as follows:

The purpose and intent of this measure is to require the Chief Information Officer of the Office of Enterprise Technology Services to update the State Information Technology Strategic Plan every four years and submit the updated plan to the Governor and Legislature.

Your Committee received testimony in support of this measure from the Department of Education, Office of Enterprise Technology Services, Transform Hawai'i Government, and one individual.

Your Committee finds that periodic updates to the State Information Technology Strategic Plan are vital to keeping abreast with ever-evolving technology and to fully maximizing available modern resources to increase effectiveness, efficiency, and transparency in state government. This measure requires such an update to occur every four years.

As affirmed by the record of votes of the members of your Committee on Technology that is attached to this report, your Committee is in accord with the intent and purpose of H.B.

No. 531, H.D. 1, and recommends that it pass Second Reading and be referred to your Committee on Ways and Means.

Respectfully submitted on  
behalf of the members of the  
Committee on Technology,

---

JARRETT KEOHOKALOLE, Chair
